

DIXON EVENING TELEGRAPH.

OFFICIAL PAPER OF THE CITY OF DIXON BY ACT OF CITY COUNCIL

OFFICIAL PAPER OF LEE COUNTY BY ACT OF SUP. ERVISO

Telegraph Sixty-Second Year

DIXON, ILLINOIS TUESDAY JUNE 10 1913

Dixon Daily Telegraph Thirtieth Year No. 137

COUNCIL TRANSACTED WEEKLY BUSINESS

ACCEPTED BONDS OF CHAS. E. CHANDLER FOR CITY TREASURER.

MEETING VERY HARMONIOUS

Accepted Resignation of Mrs. Shaw and Appointed Mrs. O. E. Anderson on Hospital Board.

WHAT THE COUNCIL DID.

Approved and ordered paid bills of Wood & Oakley, Chicago attorneys, amounting to \$40, for submitting opinions on local improvement ordinances Nos. 144 and 145.

Referred to Commissioner Gannon petition of Fred C. Wagner for permission to erect electric sign at his auto station, 603 Depot avenue.

Accepted bonds of City Treasurer Charles T. Chandler for \$79,000.

Accepted the resignation of Mrs. E. E. Shaw as member of the hospital board and appointed Mrs. O. E. Anderson to succeed her.

Last night's meeting of the city council was devoid of anything of startling interest, the commissioners finished their business harmoniously in about fifteen minutes.

Wood & Oakley, bond experts of Chicago, were paid \$40 for passing on the proceedings in local improvement ordinances Nos. 144 and 145, both of which, incidentally, were fully approved by the Chicago lawyers.

City Treasurer C. E. Chandler, appointed to the unexpired term of the late James E. Drew, was sworn in by Mayor Brinton before the council meeting and he filed his bond for \$79,000, the bond being signed by the directors of the City National bank.

The council accepted the resignation of Mrs. E. E. Shaw as a member of the hospital board on the plea that her business duties would prevent her giving the necessary time to the hospital for satisfying results. The resignation was accepted with regret. Mrs. Orville Anderson was appointed to fill the vacancy.

Fred C. Wagner petitioned the council for permission to erect an electric sign at his automobile establishment at 603 Depot avenue. The petition was referred to Commissioner Gannon, who will have power to act.

MEET AT ROCHELLE

ON JUNE 26TH

Today W. W. Gilbert, chairman of the good roads committee at Dixon, received a letter from officials stating that a meeting will be held at Rochelle June 26th in the interest of good roads and the transcontinental route. Everyone interested in the work should attend. There will be a program and no doubt a very interesting meeting will be held.

TAKES POISON; SHOOT'S HELP

Kentucky Youth Stands Off Rescuers Until Drug Takes Effect.

Pineville, Ky., June 10.—After D. B. Logan, Jr., seventeen years old, had swallowed several grains of a drug he obtained by breaking into a drug store he stood in the street firing a revolver at persons until the poison took effect. None of the bullets took effect.

Just before losing consciousness young Logan threw down his weapon and called a friend. Attempts to save his life were futile.

Logan was a son of one of the town's wealthiest business men.

HAS EX-HUSBAND EXILED

Milwaukee Court Gives Man Twenty-Four Hours to Quit Town.

Milwaukee, Wis., June 10.—If you are divorced by a Wisconsin woman and she advises you to leave town, move, if you are in the jurisdiction of Judge Eschweiler's court. Mrs. William Schwartz of Thiensville, a village near Milwaukee, secured a divorce, but her former husband remained in the village. She called on the judge, said her former husband annoyed her by calling attention to her former married state, and the court gave him twenty-four hours to leave. He obeyed.

Silas Lees of Sycamore is a guest at the home of his daughter, Mrs. H. L. Bullitt, for a few days.

Pearl Herriek of Polo was here on Saturday.

APPOINT COMMITTEE TO RECEIVE GUESTS

RECEPTION COMMITTEE FOR THE EVENING OF FRIDAY, JUNE 13TH.

At the regular meeting of the Elks lodge last evening the following committee was appointed by the lodge to receive Grand Exalted Ruler Thomas B. Mills, Grand Secretary Fred C. Robinson and all other distinguished guests who will be present at the dedicatory exercises on Friday evening.

This committee is requested to meet Wednesday evening at 8 o'clock at the club to arrange for receiving the guests.

Reception Committee.

SUSTAIN OBJECTORS IN DRAINAGE DISTRICT

ALL OTHER LAND IN DISTRICT ON WHICH TAXES WERE UNPAID IS SOLD.

The matter of the application by County Collector Vaughan for judgment for tax sale to sell all lands in the Harmon-Marion drainage district for drainage taxes was up before County Judge Scott late yesterday afternoon.

After hearing the case Judge Scott sustained all objections filed and judgment was refused.

All other land in the district was sold at the tax sale today.

Objectors who appeared before Judge Scott were:

Kate and Elizabeth Keane, Thos. Halligan, M. J. Holligan, Bernard McCaffrey, Mary McCoy, Elizabeth Haley, Ann Donovan, Julia Hooker, George Swartz, Charlotte Swartz, P. McCoy, James Canfield, Sarah McCoy, J. Cahill, P. McCaffrey and the township of Marion.

BOARD OF REVIEW HAS ORGANIZED

WAGNER, CHAIRMAN AND TAGUE IS CLERK—ORGANIZED YESTERDAY.

The board of review met late yesterday afternoon and organized by electing the democratic member, William Tague of this city, clerk, John Wagner being chairman by virtue of his position as chairman of the board of supervisors. W. W. Harden of Nelson is the other member of the board.

GRAPES INJURED BY FROST.

Bloomington, June 10.—Central Illinois horticulturists, after a careful investigation of the fruit condition, announce today that the cold snap affected grapes only and that apparently all other fruit escaped injury. The outlook is for a large crop of fruit of all kinds with the exception of grapes.

NEWSPAPER LAW UPHELD

Washington, June 10.—Special.—The U. S. supreme court today upheld the validity of the newspaper law.

PHILLIPS BOY'S FATHER IS DEAD

BROTHER TRIES TO GET PRISONER OUT OF JAIL FOR FUNERAL.

FATHER UNAWARE OF TROUBLE

Alleged Attacker of Ashton Girl is Also Uninformed of His Father's Death.

A brother of Eugene Phillips, the 18 year old boy who is in the county jail in Dixon awaiting the action of the grand jury on the charge against him of an attack on the person of Miss Ida Henitsch, daughter of Mr. and Mrs. August Henitsch of near Ashton, is in Dixon today in a frantic effort to have the boy released that he may attend the funeral of his father, Gus W. Phillips, in Aurora. The Phillips boy's father died in a hospital in Aurora yesterday, unaware of the trouble his boy was in. His condition had been so serious that he could not be informed of his son's arrest. The boy's mother is prostrated with grief and is in a serious condition because of her son's disgrace and her husband's death.

Up until late this afternoon the boy in jail had not been informed of his father's death, the brother, Charles, who is here trying to secure bail for him, not wishing to break the news unless he could arrange for the boy to attend the funeral tomorrow.

ASSERT HUNT NOT TRUE TO PRINCIPLES

The Chicago Evening Post, progressive politics, in its issue Friday published an editorial under the caption, "Traitors to Principle," and it severely arraigns those progressives in the House who failed to vote for the initiative and referendum and suggests the recall should be used if the laws of the state provided for it. The Post includes the name of Roy D. Hunt of DeKalb, representatives from this district, in its list.

The Post's editorial follows in full:

The I. and R. bill was defeated by the lack of seven votes. Six progressives did not vote for it when the crucial roll was called. Of these Representatives Chas. S. Graves, as true a progressive as there is in the country, lies almost mortally ill at Evans-ton. Progressives should, however, write down in their memory these five names of men who betrayed a paramount principle of the new party when the test was on:

Frank J. Snite, Chicago.
F. E. J. Lloyd, Chicago.
John H. Taylor, Chicago.
Joseph Carter, Champaign.
Roy D. Hunt, DeKalb.

Carter voted against the I. and R. last session. Hunt offered no explanation for his failure to vote, but Snite, Taylor and especially Lloyd, who voted against the bill, can have no explanation. What these traitors to progressivism need is the personal application of another progressive principle—the recall.

AMEOY MAN HAS GOOD FILTER.

L. D. Morgridge of Amboy is here demonstrating the Entorf filter. This is the much talked of filter that will take water from gasoline. Mr. Morgridge in a few minutes this morning proved it does its work well.

DAUGHTER BORN.

Born to Mr. and Mrs. Arthur Shaw of New Orleans, a daughter.

STEALS BICYCLE

Some sneak thief stole the bicycle of N. H. Jensen Sunday night. The wheel was left standing in Mr. Jensen's back yard.

MISS SHAW VISITS DIXON

Miss Mabel Shaw of Mt. Morris was in Dixon Monday. Miss Shaw is proofreader for the large publishing firm of Kable Bros.

DR. STANLEY ILL

Dr. Stanley who is a frequent professional visitor in Dixon, is quite ill at his home in Chicago.

ATTY. GENERAL M'REYNOLDS RESIGNS

FRICTION BETWEEN PRESIDENT AND M'REYNOLDS IS CAUSE.

PRESIDENT WANTS SECRECY

Two Negro Women Hold Up Man in Chicago—\$20,000 Fire Injures Men.

Washington, D. C., June 10.—Special to Telegraph—Friction between President Wilson and Attorney General McReynolds has appeared here. President Wilson wants secrecy in the department of justice but the attorney general disagrees with him. It was given out today that McReynolds will resign.

LONDON FIRM FAILS.

New York, June 10.—Special.—Engelbert & Schloesser, London stock house, announced their suspension this morning. Prominent Wall Street interests say the failure is considered important.

NEGRO WOMEN MAKE HAUL

Chicago, June 10.—Special to Telegraph—Two negro women robbed Charles Anderson of Pullman of a purse containing \$1,870 in a saloon at 2210 South State street.

Several firemen were hurt and a family nearly lost their lives by suffocation in a \$20,000 fire which destroyed the Shaving & Sawdust Co.'s buildings here.

ABANDONS PLAN TO MAKE BUTTONS

STANLEY BAKER STATES THAT FACTORY FAILS FOR WANT OF CAPITAL.

The Rock river pearl button factory is, for the present, at least, a thing of the past. E. S. Baker, chief man behind the project, declared this morning that principally for want of capital, the factory would not be put in operation and that he has decided to drop the proposition. However, other Dixon parties may become interested and button making may become one of the flourishing industries of Dixon.

CHARLETON EXTRADITED.

Washington, D. C., June 10.—Special.—Porter Charleton will be extradited by a decision of the U. S. supreme court. Charleton is accused of killing his wife and throwing her body in Lake Como, on the continent.

CALENDAR OF EVENTS FOR COMING WEEK

Tuesday
Ideal Club Picnic—Lowell Park.
Phidians, with Mrs. J. H. Morris.
W. O. W. Meeting, at Union Hall.

Wednesday
Knights and Ladies of Security—Maccabee Hall.
Women's Missionary Society—Eldena Church.
Prayer Meetings, Churches.

Thursday
Ice Cream Social at Congregational Church.
W. H. & F. M. with Mrs. Will Beier and Mrs. Stephan at the former's home.
Royal Neighbors—Maccabee Hall.

Women's Home and Foreign Missionary Society, St. James Lutheran Church—Mrs. Emma Geisler.

Recital, by Strong's College of Music, in Coppins Hall.

Friday
Minnie Belle Rebekah Lodge—L. O. O. F.
Candlelighters, with Mrs. Paul Lord.

DEDICATED ORPHANS HOME THIS AFTERNOON

MARY SHIPPERT HOME AT NACHUSA WAS FORMALLY DEDICATED.

PROGRAM WAS EXCELLENT

Many Visited the Home, Enjoyed the Banquet and Program at Dedication of New Building.

The dedicatory exercises of the Mary Shippert Orphans' Home at Nachusa were held this afternoon. A large number were present and the day was very successful. The program was excellent.

Visitors at the Home, which is a Lutheran organization, partook of a splendid dinner in the big dining room of the beautiful building at noon. At 1:30 the exercises began with an exceptionally able historical address by Rev. M. F. Troxell of Topeka, Kas., who was the first president of the board of trustees of the old Home, being at that time pastor of a Springfield, Ill., church.

Rev. Troxell detailed the early history of the institution and made a very interesting talk on the subject.

Rev. Ezra Keller of Hillsboro delivered the dedicatory address in a masterful manner.

The soliciting of the funds was carried on under the charge of Rev. A. B. Leamer of Des Moines, Ia., and a very satisfactory sum was realized. There was about \$4,000 needed to pay for the building. The new building cost about \$14,000 without the furnishings, and \$10,000 had already been raised. The building is a beautiful structure, composed of brick, with concrete floors, etc. It is as nearly fireproof as it could be built and is a monument to those who made its construction possible. Mrs. Mary Shippert, wife of Henry Shippert, donated the site for the new building.

Dixon Church Helps.

The building has been furnished by various churches in the synod and St. Paul's Lutheran church of Dixon has had a large share in the work. The ladies of the Dixon church took upon themselves the task of furnishing the big reception room, and have already spent \$100 upon this room. The local church is helping in other ways, also, and Rev. Altman took with him today to subscribe to the fund about \$250 that had been subscribed locally.

Rev. F. D. Altman of Dixon gave the dedicatory prayer at the close of the program this afternoon.

The exercises were held in the long dining room, which had been prettily decorated for the occasion. At present there are 15 children in the home, but the number is below normal and the building is able to accommodate forty. The old building was destroyed by fire a year ago last April.

YOUTH KILLED BY 22 RIFLE.

Freeport, Ill., June 10.—Special to Telegraph—Roy Smull, aged 15, a son of Mr. and Mrs. Wm. Smull, residing near Dakota, received a wound in the left lung from a 22 calibre rifle that was accidentally discharged while in the hands of a companion, George Johnson, and died forty-five minutes later at the Johnson home, a half-mile distant where he was carried by the grief-stricken boy. The lads had been out hunting for geophers.

AXE MURDERER ACTIVE.

Kansas City, Mo., June 10.—Special to Telegraph—A man stole into the home of Arthur Keller at Harrisonville, Mo., and murdered Keller and his young daughter with an axe. A blow aimed at Mrs. Keller awakened her without injury and she drove the fiend from the house.

PAVING MACHINERY HERE.

Gund & Graham, the Freeport contractors who are to do the paving in the west end, unloading two carloads of machinery in Dixon Monday morning. They expect to be at work on the project within a few days.

LICENSED TO WED.

Herbert Carnahan, Compton, Ruth Abell, Compton.

SUPERVISORS WILL APPOINT PROGRESSIVE

COUNTY BOARD MET THIS MORNING AND TRANSACTED BUSINESS.

The county board was in session this morning and voted to go to the county farm tomorrow in a body and partake of the annual dinner and make the annual inspection.

Today was taken up principally by the various committees in auditing and getting the bills in shape for action by the board.

At this session of the board the members of the grand jury for the next term of court will be selected and the judges of election will also be chosen.

It has been decided by the board to recognize the progressive party and give that party the number of judges it is entitled to. In towns where the member of the board is a democrat that party will have one judge, but in all other towns, republicans and progressives will hold down the judges' positions.

MATINEE DAY IN AMBOY ON JUNE 26

THREE GOOD HARNESS RACES THERE ON THAT DAY—DANCE IN THE EVENING.

June 26th is going to be a great big day in Amboy.

Because Dixon is going to celebrate July 4th with a big program, Amboy wishes to play fair with Dixon and is going to have her big day June 26th.

That's very fair, isn't it?

This is what Amboy is going to have on that day:

Three good harness races, consisting of a pace, a trot and a green race. The Dixon Marine band has been engaged to play all day, give a concert in the evening and the day will close with a dance in the opera house.

Dixon will send a large delegation to Amboy on June 26th.

BANNERS ADVERTISE DIXON CELEBRATION

FOURTH OF JULY HERE TO BE A WELL ADVERTISED AFFAIR.

The advertising committee delegated to work on the Fourth of July project has gotten out printed banners reading "Dixon, July 4" in red, white and blue, printed on cloth, to be hung on autos, and several have already been put out.

The committee will request all the auto owners in the city to carry banners from now until the Fourth of July, and feel that they will get considerable advertising in this way.

Charles Miller and Eli Rosenthal were in Chicago yesterday arranging for free attractions on the Fourth here and the result of their visit is awaited with interest.

PETTY THIEVES AT WORK.

Residents of Bluff Park and other parts of the east end have been annoyed lately by the depredations of a gang of young marauders who have been looting ice boxes and refrigerators at night.

Several homes have been robbed in this way within the past few days by the vandals, and the residents are getting so they can't see the joke. The next fellow who tries to get his lunch that way may get a surprise that will be quite a severe shock to his nervous system.

HOLDS GOOD POSITION

Lawrence Albright, son of Mr. and Mrs. Charles Albright, and wife of Manley, Ia., are visiting at the home of his parents. He is the chief dispatcher for the Rock Island R. R. company at Manley.

PUBLIC PRINTER NAMED.

Washington, June 10.—Special.—President Wilson has named Cornelius Ford of Jersey City as public printer.

HELP TO PUSH THE THERMOMETER UP

Y. M. C. A. TEAMS ARE WORKING HARD TO RAISE NECESSARY FUNDS.

WANT TO RAISE \$20,000

Needs of the Institution Are Many, and Present Debt Should Be Wiped Out at Once.

Last night at the Y. M. C. A. banquet, served by the Ladies' Auxiliary, there were about 65 men present to hear concerning the plans of the effort and to get the necessary names, etc., for the start today.

E. B. Raymond, general chairman of the campaign, presided at the dinner and made a short address concerning the history of the association and its financial condition. Mr. Raymond classified the need as follows: The bonded indebtedness is \$13,000, but \$5,000 of that is cared for through a pledge not yet due, leaving \$8,000 debt on the building.

For the past six years the association has been carrying this debt of \$13,000 at six per cent and has paid out \$4,680 from its current expense. And therefore the floating indebtedness has been created. This interest charge has always been met, but between \$1,800 and \$2,000 of the \$4,680 had to be borrowed in order to meet the other current expense.

The pledges made at this time run over a period of two years, so the sustaining membership list is included in this amount asked for, which is \$4,000. Then the board of directors see the need of several important repairs which would amount to about \$1,000. The last \$5,000 is desired in order to put another story on the present building in order to have more dormitory space. Thus the need is \$20,000.

At noon today the teams will meet at the Y. for dinner which will be served by the ladies of the Methodist church. The dinner will be held for just forty minutes, at which time reports will be read and teams organized for afternoon work.

The thermometer will then register its first travel up toward victory. Every noon the thermometer will be changed to read the exact amounts to date.

Earl A. Shumaker explained in detail the plan of the campaign to the men last night, and after the addresses the gymnasium was changed into a bee hive and every man was around the table making his plans for today's work.

R. J. Bennett, father of Mrs. M. H. Vall, made a special trip from Chicago to be present and give a few words of enthusiasm and push to the campaign.

The reports turned in by the various teams at the banquet this noon showed a total of \$3,450 to start with. Pretty good for a half-day's work.

TO ATTEND CONVENTION.

Dr. Powell will leave the last of the week for Minneapolis, where he will attend the convention of the American Medical society. Later he will go to Nebraska for a few days. He will be gone altogether about ten days.

PROPERTY SOLD.

The D. J. Carroll property, corner of Fifth street and Galena avenue, consisting of two houses, with lot 150 feet square, was sold today through the S. E. Johnson agency to Dr. J. W. Worsley.

Q. TO BUILD BRIDGE.

The C. B. & Q. will build a new bridge over Rock River at Sterling, to replace the old covered structure that has been in use continuously since 1889.

ASSESSOR RETURNS BOOKS.

Assessor A. J. Lauer of Sublette was here today and returned his books. He was accompanied by his son.

HARMON COMING

There will be no Fourth of July demonstration in Harmon this year. The people of that village plan to come to Dixon.

Social Happenings

Gave Luncheon.

Mrs. Anna Worthington and Mrs. Sarah E. Johnson, the latter of Chicago, gave a luncheon Saturday at 1 o'clock at the home of Mrs. Worthington for six Polo ladies.

With Dinner.

Mr. and Mrs. O. H. Martin entertained with a dinner at the Nachusa House Sunday, Mrs. C. B. Morrison and Misses Lucile and Mary Morrison.

Dixon Women's Club.

The Dixon Women's club will meet at the home of Mrs. John Erwin, 706 Forest avenue, for a picnic supper on Friday, June 13th. Members are asked to bring their own dishes. Take car to Assembly park and then go north.

Their Ninth Anniversary.

Nine years ago June 8th, Mr. and Mrs. Paul Brookner were married at 511 Peoria avenue, so Sunday evening a few friends surprised them and helped them celebrate very quietly at the old home. They went for an auto ride in the afternoon and when they walked in about 6 everything was in readiness for dinner. The table was graced by a dainty bride and groom and masses of pink and white peonies. Mrs. Susan Beightel of Nachusa was among the guests.

Shower Amboy Bride-Elect.

Misses Minnie and Mabel Entorf of Amboy entertained 16 young ladies Wednesday evening at their home in Amboy complimentary to Miss Louise James who will become the bride of Chester Forsythe of Ann Arbor, Mich., in a few weeks. The evening was delightfully spent in music and drawing and guessing contests of which Miss Jean Carroll and Anna Ayers were the lucky ones to receive prizes. The house was tastefully decorated in pink and white, a luncheon being served late in the evening the tables being prettily decorated in pink and white roses. Before departing for the their homes the guests showered Miss James with a large assortment of pretty gifts.

Mrs. Bardwell Entertains.

Mrs. H. U. Bardwell entertained Monday in honor of Mrs. Avery of Peoria.

Woodmen of the World.

There will be a meeting of the Woodmen of the World at Union hall tonight. All members are urged to be present.

Scramble Supper.

The Young Ladies' Auxiliary of the Presbyterian church will enjoy a scramble supper Thursday evening with Mrs. Jas. Ballou, 212 West Everett street.

Woodmen Camp 56 to Initiate

The Modern Woodmen of America will hold a meeting Thursday evening, at which meeting four candidates will be initiated. Lodges from Ashton, Lee Center, Amboy, Franklin Grove, Polo, Pawpaw, Rock Falls, Sterling and Erie have been invited to attend. After the initiation a banquet will be served and a very pleasant evening is anticipated.

Eldena Society.

The Womens' Missionary society of Eldena will meet Thursday afternoon at the church and a cordial invitation is extended to all friends of the society to meet with them.

The Abuse of Your Eyes?

Has an effect upon a most wonderful network of nerves which sets up functional disturbances here, there and everywhere in the body.

Then begins a course of treatment for headaches, indigestion, insomnia, nervousness and such like disorders. And all the time the trouble is EYES.

We have every needed appliance to furnish the relief which is sure to come from wearing proper glasses.

DR. W. F. AYDELOTTE,
Neurologist and Health Instructor,
223 Crawford Ave., Dixon.
Phone 160 for Appointments.

Queen Esther Meeting

Last evening Misses Dora and Harriet Breed delightfully entertained the members of the Queen Esther Circle forty-three being present.

Miss Bertha Bennet gave a solo which was much appreciated and Miss Gertrude Nesbit rendered a violin solo which was also much enjoyed.

Earl Kennedy led in the devotionals and Douglas Rogers gave two very enjoyable readings.

A "mail bag" contributed not only to the program, but to the recollections of the social part of the evening as well. Delicious refreshments were served and an altogether delightful evening was spent.

Drove to Oregon.

Frank Chiverton and wife and Fred Burdick and wife drove to Oregon Sunday.

To Attend Luncheon

The members of the O. E. S. Parlor club went to Sterling to be entertained at a luncheon by the Parlor club of Sterling.

Thursday Dinner Club.

The Thursday Dinner club will meet on Friday of this week with Mrs. Mark Brown.

To Sterling.

Misses Hazel Elliott and Ruby Schrock and Messrs. Arvine Lora and Hugh Senneff motored to Sterling Sunday evening.

Tea Club.

The Tea club will meet Thursday with Mrs. E. N. Howell.

Ice Cream Social.

The first division of the Dorcas society of the Congregational church will serve ice cream and cake Thursday evening at the church.

Meet Thursday.

The W. H. F. M. society of St. Paul's Lutheran church will hold its regular monthly meeting Thursday at 2:30 p. m. at the home of Mrs. Will Beier, 311 Peoria avenue. Mrs. Beier and Mrs. Stephan will be hostesses. A large attendance is desired.

To Give Luncheon.

Mrs. E. B. Owens will entertain at 1 o'clock luncheon Wednesday.

Studying Styles.

Miss Mulkins, accompanied by her sister, Miss Florence, were in Chicago yesterday. Miss Mulkins was taking notes of the late summer millinery styles, also those of early fall.

To Visit Sister.

Miss Josephine Altman will leave this evening for Atchison, Kas., to visit her sister, Mrs. Homer Shepherd.

Farewell Party.

The Y. P. S. C. E. society of the Presbyterian church last evening gave a surprise farewell scramble supper for Miss Beulah Stanton who is soon to move to Hamilton, Ill. Dr. Ralph Crissman, on behalf of the society, presented Miss Stanton with a beautiful bible. The evening was delightfully spent in games and music.

ROADS LOSE CASE, MINNESOTA WINS

U. S. Supreme Court Hands Down Decision in Important Legal Struggle.

ONE LINE GETS A VERDICT

Holds State Has Right to Fix Rates of Carriers So Long as They Are Not Confiscatory.

Washington, June 10.—The power of the states to fix reasonable intrastate rates on interstate railroads, until such time as congress shall choose to regulate these rates, was upheld by the Supreme court of the United States in the Minnesota freight and passenger rate cases.

At the same time the court laid down far-reaching principles governing the valuation of railroad property for rate making purposes and, according to these, held that the state of Minnesota would confiscate the property of the Minneapolis & St. Louis Railroad company by its maximum freight and two-cent passenger fare law. It enjoined the state from enforcing these laws as to this road for the present.

What the Cases Are.

The so-called "state rate" cases have presented to the Supreme court one of the momentous problems of the decade.

In general terms, this group of cases called upon the court to decide two questions. One was whether the states in passing maximum freight and two-cent passenger laws had unduly interfered with interstate commerce. The other was whether those laws confiscated the property of the railroads by requiring them to transact business at a loss.

The group consisted of 45 cases. All arose out of legislation enacted by state legislature about 1907, or just after the federal government had passed the Hepburn rate law. The 45 cases concerned directly the laws in six states—Missouri, Minnesota, Kentucky, Oregon, Arkansas and West Virginia. Similar litigation arose in Alabama, Iowa, Kansas, Nebraska, Oklahoma and South Dakota. In all, it was said that 76 suits in federal courts depended upon the decision in the 45 cases before the Supreme court.

How the Suits Started.

The Minnesota cases arose out of suits by stockholders of the Northern Pacific, the Great Northern and the Minneapolis & St. Louis railroads against the companies to enjoin them from obeying the maximum freight and two-cent passenger laws as unconstitutional, and against the state officials to enjoin them from enforcing the laws. Judge Sanborn of the United States circuit court for Minnesota held the laws unconstitutional, of a confiscatory nature, and that they burdened interstate commerce. The three suits were appealed to the Supreme court.

Turpentine Trust Victor.

Convictions of five officials of the American Naval Stores company at Savannah—the so-called turpentine trust—for criminal violation of the Sherman law were set aside by the Supreme court because of an erroneous instruction of the trial judge. Justice Pitney was the only dissenter from the opinion.

Officials of the department of justice did not regard the decision as one generally unfavorable to the criminal section of the Sherman law. They never considered that they had a strong case.

Rules on Rebate Damage Suits.

Holding that one shipper cannot sue for rebates as damages because competitors received rebates, the Supreme court reversed the decision of the Pennsylvania courts awarding to the International Coal Mining company of the Clearfield region of Pennsylvania a judgment of \$12,000 against the Pennsylvania railroad. Justice Pitney, dissenting, declared the decision practically annulled the right of the shippers to sue for damages conferred by recent legislation, leaving a right to sue only in the almost negligible instances where the goods of a shipper came into competition with competitors who received rebates.

TAFT CLARKS' DINNER GUEST

Underwood and Cannon Among Those at Capitol Luncheon.

Washington, June 10.—Former President Taft was the guest of honor at a luncheon given by the speaker of the house and Mrs. Champ Clark in the speaker's dining room at the capitol. Among the guests were: Representative and Mrs. Oscar W. Underwood, former Speaker Cannon, Representatives Dalzell and Payne, Col. and Mrs. Spencer Cosby, Mr. and Mrs. Charles D. Hillis, Mrs. James R. Mann and Miss Mabel Boardman.

FRANCE PROTESTS TARIFF

Ambassador Jusserand Visits Wilson and Objects to Certain Features.

Washington, June 10.—Ambassador Jusserand at a half hour's conference with President Wilson reiterated the point of a formal protest filed by France against the tariff bill in which alleged discrimination and treaty rights were discussed. The ambassador would not talk of the results of his visit. It was the first direct appeal by a diplomat to the president against features of the tariff bill.

City In Brief

Frank Derr of Lee Center was in Dixon Monday.

H. D. Missman and bride of Springfield are guests at the home of Mr. and Mrs. Roy Bridges.

Mrs. George B. Shaw is visiting her father, R. L. Burchell, of Erie. Milton Crawford of Franklin was here Monday.

Father Fegers of Sterling was here Monday.

Mrs. Wayne W. Smith has gone to Hedrick, Ia., to visit friends.

Mrs. Prescott Clark has received word of the safe arrival of her sister Mrs. Jas. Bennett, and little niece, Helen Daniels, of this city at Forrest Grove, Montana, at the home of "Peggy" Daniels. Mrs. Bennett traveled from Louiston, Montana to Forrest Grove by coach a distance of twenty-five miles. She likes the country very much and is enjoying a visit with her brother's family, who are very glad to see little Helen again.

The Evening Telegraph delivered by carrier at your door for 10 cents a week. Sent by mail to any part of the United States for \$3 per year. The Semi-Weekly Telegraph, \$1.50 a year.

Geo. Meyers of Leaf River is here on business.

C. H. Hon, a prominent real estate man of Deming, N. M., is here on business.

C. E. Meese of Chicago was here today.

Chas. McNeel of Mt. Morris is in town today.

Pearl Herrick of Polo and Charles Anderson of this city visited with friends in Amboy and Sublette Monday.

Robert Allen, formerly of Polo and well known here, is lying at the point of death at his home in Mendota.

Elmer Cline and Miss Margaret Madison motored down from Franklin Grove Monday to meet Miss Madison's sister of Polo, who will visit at Franklin Grove with relatives for several weeks.

Miss Mary Hewitt of Franklin Grove is visiting in Dixon.

George P. Ross was here Monday from Harmon.

CAMERA COMBINE HIT

GOVERNMENT SEEKS DISSOLUTION OF KODAK TRUST.

Corporation Head Declares It Refuses to Disintegrate But Will Change Its Methods.

Washington, June 10.—The federal government began proceedings to smash the kodak trust.

In a civil suit filed at Buffalo by order of Attorney General McReynolds the government asks dissolution, by receivership, if necessary, of the Eastman Kodak company, which is charged with monopolizing the trade in photographic supplies in violation of the Sherman law.

It is the aim of the government to obtain a division of the assets and business of the Eastman company controlling 72 per cent. of the business in the United States into such parts as will effectually destroy the alleged monopoly and restore competition.

The petition in equity asks for an injunction forbidding the fixing of resale prices of cameras, films and other patented photographic supplies.

This marks the attorney general's first application of the recent decision of the United States Supreme court denying patentees the right to fix resale prices of retailers.

In a statement given out at Rochester by George Eastman, president of the company, it is declared that the corporation will refuse to dissolve, but will adjust its methods of doing business to meet the charges preferred.

The Eastman Kodak company of New Jersey, a holding company, has an authorized capital of \$35,000,000, of which \$26,000,000 has been issued. The Eastman Kodak company of New York, the operating company of the combination, is a \$5,000,000 concern, manufacturing and marketing photographic supplies.

COULD CRUSH RIVALS

Gary Admits Steel Trust Able to Stop Competition.

Tells Inquisitors That He Has Always Opposed Such a Policy for the Corporation.

New York, June 10.—While he was being cross-examined in the government's suit to dissolve the United States Steel corporation, Chairman Elbert H. Gary admitted that the big organization could force its rivals out of business but said that he was and is opposed to such a policy.

Judge Gary said that it had always been the policy of the corporation to foster competition.

"Do you call buying up pig iron to sustain the market fostering competition?" asked Judge Dickinson.

"I would think that under normal conditions the purchase by the steel corporation of a substantial amount of pig iron simply for the purpose of sustaining the market would not be justified," replied the witness. "I am sure I never approved the purchase of pig iron for that purpose."

Judge Gary, although a director with full power, said he never attended a meeting of the Carnegie Steel company. He caused a laugh when he said he had power to examine the minutes and wished he had exercised it.

The witness said he did not know anything about a contract that was being considered April 29, 1901, between the Standard Oil company and the corporation or its subsidiaries compelling them to buy their supplies from the corporation.

Judge Dickinson read minutes of the Carnegie Steel company showing that Mr. Bops, a director, had said frequently that the company could sell at high prices, fill up the market and then lower prices, thereby keeping their mills going. Judge Gary said the statements were foolish.

Mrs. Clara Avery, who has been the guest of Mrs. H. T. Noble, will return to Peoria Wednesday.

Marvin Steele has gone to Springfield to spend his vacation.

"BLOOD IS THICKER THAN WATER"

Without good red blood a man has a weak heart and poor nerves. Thinness of the blood, or anemia, is common in young folks as well as old. Especially is it the case with those who work in ill ventilated factories—or those who are shut up indoors in winter time with a coal stove burning up the oxygen or emitting carbonic oxide gas. This blood, or blood which lacks the red blood corpuscles, in anemic people may have been caused by lack of good fresh air breathed into lungs, or by poor digestion or dyspepsia. Sometimes people suffer intense pain over the heart which is not heart disease at all, but caused by indigestion. Whatever the cause, there's just one remedy that you can turn to—knowing that it has given satisfaction for over 40 years.

DR. PIERCE'S

GOLDEN MEDICAL DISCOVERY

is a blood cleanser and alterative that starts the liver and stomach into vigorous action. It thus assists the body to manufacture rich red blood which feeds the heart—nerves—brain and organs of the body. The organs work smoothly like machinery running in oil. You feel clean, strong and strenuous instead of tired, weak and faint. Nowadays you can obtain Dr. Pierce's Golden Medical Discovery Tablets, as well as the liquid form from all medicine dealers, or tablets by mail, prepaid in \$1 or 50c size. Address R. V. Pierce, M. D., Buffalo, N. Y.

DR. PIERCE'S GREAT 1008 PAGE ILLUSTRATED COMMON SENSE MEDICAL ADVISER WILL BE SENT FREE, CLOTH BOUND FOR 31 ONE-CENT STAMPS.

COX FACES ANOTHER TRIAL

Cincinnati's Former Political Boss Must Answer to Second Indictment.

Cincinnati, Ohio, June 10.—The trial of George B. Cox, financier and former political leader, on a charge of misapplication of \$115,000 of the funds of the Cincinnati Trust company, was set for June 18 by Judge Caldwell in the common pleas court.

Seven other officers and directors of the trust company are also under indictment in connection with this transaction.

This will be the second trial of Cox within the month, he having been dismissed from a charge of having misapplied \$352,500 last week.

CANAL TO OPEN JAN. 1, 1915

Goethals Says Anything That Floats Can Pass Through Then.

New York, June 10.—"By January 1, 1915, anything that floats can pass through the Panama canal between the Atlantic and Pacific oceans," declared Col. George W. Goethals, chief engineer of the canal zone, who arrived here on the steamer Pastores from Colon.

"I shall send a vessel through the canal just as soon as we get water into it," continued the chief engineer. "I promised that the Fram, used by Amundsen in discovering the south pole, should go first, but the initial passage probably will be made by a smaller craft."

STEWART NOTES

Steward, June 9. Mr. and C. T. Beitel and Mr. and Mrs. Perry Beitel attended a picnic at Hinkley Tausday.

Miss Edna Miller of Prairie du Chien, Wis., is a guest at the home of her sister, Mrs. J. L. Hemenway.

Miss Valora Phillips of Dixon is visiting at the home of her aunt, Miss Celia Lazarous.

Lawrence Parker has purchased a house in Hinkley and expects to move his family there in the near future.

Miss Adelaide Wilcox of Rochelle spent Friday and Saturday here with relatives.

Mrs. Miller spent last week in Compton with her daughter, Mrs. Cora Samon who is taking treatment at the hospital.

Mrs. U. S. Shearer spent a couple of days in Chicago last week attending the World.

Mr. and Mrs. Elwood Bowles of Creston spent Sunday here with relatives.

Miss Bessie Ruckman is visiting relatives in DeKalb.

Mrs. Jennie Kido of Peoria is a visitor at the home of her sister, Mrs. Ed Corwin.

Misses Bertha Steward and Dorothy Thorp were shopping in Chicago Thursday.

John Jarbo and daughter Laura of De Kalb motored here Sunday and called on friends.

Clayton Coon left a week ago for his new position at Dana.

ASHTON NEWS TOLD IN BREEZY LETTER

Ashton, June 9.—The commencement exercises occurred Thursday evening at the opera house. The junior class had decorated the stage. The motto, What is Expected of Me, hung in front of the stage. There were 11 girls and two boys in the class. All the girls were white and looked very well. The following program was given:

Invocation—Rev. C. A. Walters.
Vocal solo—Mrs. Fred Richardson
Address—E. T. Bailey.
Vocal solo, Barcarolle, Offenbach—Miss Guenn Goddard; violin obbligato, Carl Bode.
Presentation of Diplomas—Supt. B.

SAVED FROM OPERATIONS

Two Women Tell How They Escaped the Surgeon's Knife by Taking Lydia E. Pinkham's Vegetable Compound.

Swarthmore, Penn. — "For fifteen years I suffered untold agony, and for one period of nearly two years I had hemorrhages and the doctors told me I would have to undergo an operation, but I began taking Lydia E. Pinkham's Vegetable Compound and am in good health now. I am all over the Change of Life and cannot praise your Vegetable Compound too highly. Every woman should take it at that time. I recommend it to both old and young for female troubles." — Mrs. EMILY SUMMERSGILL, Swarthmore, Pa.

Baltimore, Md. — "My troubles began with the loss of a child, and I had hemorrhages for four months. The doctors said an operation was necessary, but I dreaded it and decided to try Lydia E. Pinkham's Vegetable Compound. The medicine has made me a well woman and I feel strong and do my own work." — Mrs. J. R. PICKING, 1260 Sargent St., Baltimore, Md.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

SURE FOOT REMEDY

EZO is Quickest Acting Remedy for Aching, Burning Feet

EZO puts the feet in fine shape over night. No matter how sore or painful, rub on EZO and misery will vanish. EZO is a pleasant ointment. Just rub it on your poor aching feet, that's all. No fussing around getting ready. EZO never fails to extract the soreness from corns, bunions and callouses, and for rough skin, sunburn, chapping and after shaving there is nothing like it. For 25 cents at druggists everywhere.

FOR THE FEET

A. Streeter.

Vocal solo—Mr. Jonker.
Benediction—Rev. A. E. Simester.

Friday evening the alumni reception was held in the opera house. Last year's graduates decorated the room very nicely. Rae Chadwick, president of the association; Eva Hunt and Paul Charters received the guests at the door. An orchestra composed of Grace Williams, Mr. Gates and Carl Bode furnished music during the evening. Especially were the classes of '12 and '13 in evidence; 13 out of a class of 15, '21, were present. Over 100 attended. Mr. Streeter in a speech told us he had graduated 49 in the five years he had charge of our school. The following program was given:

Vocal solo—Ruth Zellar, '12.

Address of welcome—Rae Chadwick, '12.

Class Response—Ada Kersten, '13.

Vocal solo—Mrs. Anna Kate Wisman Baer.

Address—Rev. A. E. Simester

Vocal solo—Mrs. Pearl Knapp Billmire

Address—Prof. B. A. Streeter

Orchestra.

Refreshments of ice cream and cake were served by the junior girls of the high school. A frappe bowl was kept filled during the evening.

An election of officers resulted as follows:

President—Roland Eisenberg

Vice President—Mrs. Pearl Billmire.

Secretary—Katherine Griffith.

Treasurer—Raymond Platt.

Mr. and Mrs. G. Lehman of Lighthouse enjoyed the commencement exercises.

John D. Charters went to Creston Thursday evening to play the piano for commencement there. Friday evening he played with the Rochelle orchestra at the alumni reception.

Miss Guenn Goddard went to Chicago to get a train for her home in Kansas City. A number of friends were at the train to bid her farewell, as she does not expect to return next year.

Miss Mildred Griffith returned on Friday from her college work at Champaign.

Quite a number have been sick the past two weeks with slight attacks of tonsillitis.

Mrs. Hugh T. Brown returned to Rockford Saturday after visiting her mother, Mrs. E. C. Griffith.

A merry-go-round came to Ashton Saturday.

Mrs. John Andrus and daughter Elizabeth, and Mrs. E. C. Walker returned Saturday from the J. C. Griffith cottage at Assembly park in Dixon.

Miss Louisa Pringle went to Peoria Friday for a few days' visit. She expects to attend the summer session at Chicago university, as she has for a number of years.

Mrs. Strong of Rockford is visiting at the Dr. Cheadle home.

What's the matter with Ashton celebrating the fourth?

Mr. and Mrs. Baer of York, Pa., leave today for home after visiting here for a week. Mrs. Baer was Anna Kate Wisman before her marriage and lived here until she was a young woman.

Mr. and Mrs. Gates of Iowa are visiting at the Chas. Bode home. He is a brother of Mrs. Bodie and expects to build Carl's new bungalow.

The Junior class picnicked Saturday at Steamboat Rock and report a fine time.

People remark upon Mrs. Stauffenberg's beautiful lawn and parking which Wm. Stauffenberg has been at work on. The old barn has been removed and this helps in the appearance of the place.

Mrs. Joe Williams and daughter, Mrs. Carrie Slanson came Thursday and are visiting Miss Fannie Williams and Grace.

Walter King and wife visited at the A. J. Nickey home last week.

The heirs of the late Wilbur Paddock have been dividing their shares of personal property. They were Mrs. Joe Williams and Mrs. Slawson of Chicago, Mr. and Mrs. Walter King, Mr. and Mrs. Clarence Thair and Miss Lillian Martin of Rockford and Riley Martin of Chicago.

A crowded house heard the program given by the children of the Presbyterian Sunday school Sunday evening. The church was nicely decorated.

The grammar school with their instructor, John Absher are enjoying a picnic today at Hunt's grove. Many parents are attending also.

Mr. McCormick, Mrs. Cheadle's mother is visiting at the home of Mr. Cheadle.

Mr. and Mrs. Titus of Flaggs were here Sunday.

Mr. and Mrs. Geo. Lehman from Lighthouse visited at the Trostle home Sunday.

The Stephan furniture store has a fine window display, a living room beautifully furnished. A painting of Wm. Stauffenberg is displayed in the room.

HIGH LIFE in Holland

Gratifying to the eye—satisfying to the taste

The lustre and sparkle in HIGH LIFE are signs of quality at a glance—fine material and extreme care in brewing make it so—always ripened in wood to full maturity. Cleanliness is the watchword. Connoisseurs pronounce HIGH LIFE to be "The finest tasting beer ever produced." So will you. Convince yourself—order a case today.

BROWN BOTTLE ARGUMENT ANSWERED

The question is frequently asked—"Why do Brewers of Germany and England use only brown bottles?" THIS IS THE ANSWER—European bottle beers have not reached such a high degree of perfection as American high grade bottle beer. The United States leads the world in the bottle beer industry. This is why European doctors and scientists come to this country to study this branch of brewing. American people demand absolute cleanliness, which is guaranteed to a certainty in using light bottles. The choicest American beers are thus put up, which is in harmony with the highest authorities on this subject.

We use light bottles exclusively for this high grade beer—common beer comes in dark bottles.

On sale at leading Buffets, on Dining Cars and Steamship Lines.

Miller's HIGH LIFE

The Champagne of Bottled Beer

Brewed in Milwaukee by Miller Brewing Co.

GRAND DETOUR

Grand Detour, June 9. Mrs. Clara Hewitt came from Chicago last week to spend the summer at their cottage.

Gertrude Prettman is visiting at the W. I. Palmer home.

Viola Merritt returned to her home at Oak Ridge last week.

Mrs. R. G. Remmers came home from Aurora Wednesday where she had been to visit her sister, Mrs. Khral and other relatives.

Mrs. Warren Burdick and daughter of Rock Falls visited her parents Mr. and Mrs. John Mumma last week.

Vivian Lowry spent last week in Dixon with her grand parents, Mr. and Mrs. Henry Franks.

Little Clara French is visiting her aunt, Mrs. Barney Lawyer near Polo. Meadames W. E. Sheffield and Hewett spent Friday in Dixon.

Mrs. George Remmers and two daughters were in Dixon Saturday.

Miss Bertha Tholen finished her teaching Friday and will spend a few weeks with her parents.

R. G. Remers and wife spent Sunday at the Albert Tholen home.

Mrs. T. F. Rosbrook called on friends Sunday.

Mrs. Scott Lowry drove to Dixon Saturday.

Eugene Koontz spent Sunday here with relatives.

W. I. Palmer and wife and Gertrude Prettman motored to Chana on Sunday to visit Mrs. Palmer's mother Mrs. Lee.

Mrs. Anna Dement and daughter, Esther, were passengers to Chicago yesterday.

Bank your Money NOW and Someday set your boy up in a good Business

It is the ambition of every father to see his boy some day securely fixed in a nice business. If you save money for no other purpose, why not begin now putting money in the bank for YOUR BOY'S FUTURE? Perhaps that same money that will set your boy up in business will make a comfortable old age for you.

DID YOU SEE HIM?

Enormously tall and appallingly thin, cotton tails and a big straw hat flapping like a scarecrow's duds in the wind, long, straggly hair down to his shoulders and a fine imitation of J. Ham Lewis' pink whiskers decorating the lower rim of his face, he wandered about the city today grinding his scissers, shining shoes and selling his picture.

His name is Joseph P. Ryan, from New York state, and he is walking from Chicago to Grand Island, Neb., where his sister lives. He left Chicago Decoration day.

In an interview with the Telegraph this morning he stated that he was walking for his health and that the reason he affected the outlandish makeup was to attract attention. He certainly accomplished his design. He even had the whole lineup of county supervisors trailing down the street after him last night at 9:30 o'clock.

A Query.

"Why," said the teacher, "does a bride invariably desire to be clothed in white at her marriage?" As no one answered, she explained: "White stands for joy, and the wedding day is the most joyous of a woman's entire life."

A small boy queried, "Why do all men wear black?"

The Sins of the Father.

Tommy came home from school very morose.

"Well, my son," observed the lad's father cheerfully, "how did you get on at school today?"

Tommy said he had been whipped and kept in. "It was because you told me the wrong answer," he added. "Last night I asked you how much was a million dollars, and you said it 'was a hell of a lot.' That isn't the right answer."

DAILY NEWS FROM **CITY OF AMBOY**

Amboy, June 9.—The following teachers have been elected to fill the different positions in the local school next year: Supt., Otis M. Eastman of Harvard, Ill., will teach agriculture, physics, manual training and mathematics; Miss Myrtle Kenney of Carbondale, who taught here last year, will again teach Latin, German and be assistant in sciences or mathematics; Miss Ruth Keefer, Amboy, English and history; Miss Laura B. Robinson, Goldfield, Ill., domestic science and assist in mathematics and sciences. Grade teachers: Miss Jessie Kehoe, 7th and 8th; Miss Jennie Carroll, 5th and 6th; Elizabeth Edwards, 5th, 6th, 7th and 8th; Miss Margaret Hammond, 3rd and 4th; Miss Leota Dee Brown, Normal, Ill., 1st and 2nd grades on the east side; Miss Lena Elois Scanton, Pleasant Hill, 1st and 2nd grades, west side. With this list of instructors the coming school year should be a successful one.

Mr. and Mrs. Allan Tait entertained friends Sunday at their home on Lee Center road.

P. M. James left Monday to attend the commencement exercises at the University of Illinois. He expects to remain several days.

Miss Luella Dewey returned from Dixon Monday after spending Saturday and Sunday there with relatives.

James Orchard was in Amboy this week.

L. D. Mortridge left on a business trip Monday.

Geo. W. Beattie left Sunday for the east to visit his mother. He has been in charge of the local schools for two years and made many friends and they are in excellent condition. He will be missed by a large number of friends.

Mrs. Eno Aschenbrenner has returned home after spending several weeks with her uncle and aunt, Mr. and Mrs. J. Leake, at Temperance Hill. Her health is greatly improved.

At the Congregational church on Sunday evening the choir will give a special musical service, probably the last for some time, as several of the members of the choir expect to

be absent most of the summer. In the morning the Children's day program will be given, postponed from last Sunday.

Misses Susan Hanson and Anna Woods were guests at the Dexter home east of town Sunday.

Mrs. Anna Klein is spending a few days with her daughter, Mrs. G. P. Finch Jr., and family this week. M. A. Peoples returned Saturday from Wisconsin.

Miss Catherine Lester will spend several days at her home in Marion township this week. Junior Klein will take her place in the Wohnke pharmacy during her absence.

The Children's day exercises at the M. E. church Sunday morning were well attended. Besides the program by the children, the baptism of infants took place.

YANKEES BEAT AT TENNIS

McLoughlin Wins Deciding Match From Doubt of Australia.

New York, June 10.—Maurice E. McLoughlin, the California tennis star, defeated Capt. Stanley N. Doubt of the Australian team in three straight sets, giving America the first leg of the Davis elimination series and the opportunity of meeting the German team next month in the second round. The winners of this match will meet in the finals the winners of the Canada-Belgium-South Africa contest. The British team will then be called upon to defend the trophy it now holds by virtue of last year's victory.

HELEN KELLER TO LECTURE

Blind Woman Announces Coming Tour of the United States.

Boston, June 10.—Miss Helen Keller, the blind woman, announced that she will undertake next winter an extensive lecture tour. Miss Keller, through her teacher and friend, Mrs. T. A. Macy, declared that the cable rumor that she would go to Spain to teach two of the royal children is untrue.

Mrs. Lee Read is in Champaign. Eugene Harrington spent Saturday and Sunday in Chicago.

Robert Sterling is ill. Miss Mary Mitchell, who has been studying at the Chicago College of Physical Education and Expression, is in Dixon for a visit with her brother, Will G. Mitchell. She will go from here to her home in Eldorado, this state.

FAMILY THEATRE

Emmett's canines are entertaining patrons to the utmost at this theatre. The educated dogs keep the audience spellbound. Count, the acrobatic dog, is wonderful. Leo, the professor of figures is amazing, beside the police patrol and the balloon punching dogs proved good laughmakers Monday night.

Prof. Christian, the artist with the Silver Violin, the only one of its kind in the world, which has a wonderful tone, and the professor knows how to play it. He also gives impersonations of several characters including

a well selected and pleasing musical program.

Pictures today:

The Elder Brother, drama.
 A Mock Marriage.
 Willie's Alarm Clock, comedy.

W. C. Durkes is ill. Mrs. Clara Adams has returned from a two weeks' visit in Mendota with friends.

Mrs. Jennie Slothower attended the dedication of the Orphans' Home at Nechusa today.

Manufactured by OLD TOWN CANOE COMPANY, Old Town, Maine.

WEST BROOKLYN

Attena the dance Saturday night Auchstetter-Oester hall.

Fred E. Biegart was here on business Thursday.

Forresters should attend their regular monthly meeting in the club rooms on Thursday night, June 12th.

Mr. and Mrs. Chas. Clark were visitors in town Friday morning.

Mr. and Mrs. C. H. Oester returned to their homes in Aurora on Friday morning after spending a week with relatives and friends here. Their present address is on Iowa street and they like the location very much.

Mrs. E. C. White entertained the Ladies Aid Society of the M. E. church at her home Wednesday afternoon. A good time was enjoyed.

Mr. and Mrs. Michael Barr and daughter Anna, were here from Compton Thursday evening calling on friends.

Jacob Henkel was in town transacting business Thursday afternoon.

Miss Gertrude Blackburn and brother Thomas returned to their home in Harmon Wednesday night, after a week's stay with their sisters and other friends here.

Frank Biers visited friends in West Brooklyn Friday.

The entertainment given in the opera house Thursday evening by the elocution class was much enjoyed by those present and every participant did well. West Brooklyn hardly realized they had as much talent as was displayed on the stage that night and with a little more experience and practice we should have a goodly number of readers in our midst.

Mrs. Aloies Graf and daughter, Marie, were visitors here Friday.

The village board is making improvements on our main street under the direction of the street and alley committee. A new crossing is being put in across Second street at the junction of of Main street between the Guffin elevator office and the bar shop. This is a much needed improvement and no one will regret that the work is being done at this time.

From now on we will close out our stock of millinery at greatly reduced prices. We still have a good assortment to select from. Fox & Hammetton, Compton, Ill.

Jos. P. Sondgeroth and wife were here visiting friends Thursday evening.

Mrs. Richard Long and daughter Helen of Harmon spent Wednesday here with relatives and friends.

Mr. and Mrs. Louis J. Chaon called in West Brooklyn Thursday evening.

Dr. J. B. Daugherty, the Pawpaw dentist, had to make two stays in our city this week in order to get rid of some of the surplus work that had collected at the local office. He was here both on Wednesday and Thursday.

Frank Chaon was here on business Thursday.

Prof. J. L. Dolan, Clarence White, Zita Meyer and Arthur Oester went to Mendota to have their pictures taken Thursday as the graduation class of 1913, of the local high school. Miss Kathryn Long and Stella Gehant were also in Mendota for the same purpose, as representatives of the Nelles school and the class of 1913.

Just imagine yourself at the door of death and realizing the terrible meaning of its consequences. If you could, would you take out that life insurance policy for the benefit of your family and the ones you leave behind? Certainly you would if you could. You cannot say but that the morrow may bring you to just that situation and therefore you should ponder and think. Yes, it is so, and if I die what will I leave for my folks? It behooves you to take out that old life insurance policy a once, today, in the Illinois Life Insurance Co., with H. F. & O. L. Gehant, agents, and then I can face death at any time, with more courage and feel that I have dealt fairly with my family. Then if you do not die in 20 years you are guaranteed more money back on your policy than you have paid them. What more do you want and still have 20 years life insurance protection?

Miss Kathryn Long closed her school year as teacher of the Nelles school Wednesday and before leaving tendered her pupils a picnic at the school campus. Several friends from town were in attendance and assisted with the serving of the dainties and the guidance of the fun. Everyone reported a splendid day's fun. Miss Long has been re-engaged for another year and will return in the fall to resume her work at the old stand.

George H. Clark was here on business Friday morning.

Andrew Barr and wife, accompanied by Fred Barr, have motored to Indiana to visit her folks for a few days.

Mr. and Mrs. August Gehant were visitors in town Thursday.

Prof. J. L. Dolan was an evening passenger for Amboy Thursday.

Edward Bresson transacted business in West Brooklyn Thursday.

Supervisor U. G. Dysart of Viola township has been in Dixon this week.

Matt Haub Jr., was here transacting business Thursday.

The West Brooklyn Cornet Band, the Dixon Marine Band and the Morrison band have all been engaged to furnish the music for the 4th of July celebration at Dixon this year. Certainly with this array of musical talent on hand, the visitors in that city this year should not go hungry for music. Dixon is planning to entertain 30,000 visitors on the Fourth this year and is making elaborate preparation for the day's entertainment.

Joseph Graf was a visitor here on Friday morning.

A letter from George Chaon who is working at Rock Island tells of a big fire in the shops at that place and also says that his brother Joe a very narrow escape from losing his home and contents from the same blaze. As it is, his loss will be between \$200 and \$300 water damage and breakage. The car shops loss amounts to several thousand dollars.

Subscribe for the West Brooklyn News this week. \$1.50 per year.

Faley Bresson of Viola township was here on business Friday.

Harry Edwards, John Byers, W. V. Phillips were here in West Brooklyn Thursday afternoon for a brief visit. They returned to Dixon that evening.

W. A. Halbmaier was a visitor here Thursday.

B. J. Long is spending a part of his week in Bloomington and Chicago. During his absence Arthur Oester is assisting as clerk in the restaurant.

Wednesday evening at 8 o'clock, the Hotel Tressler was the scene of a grand social gathering in the form of a four course banquet given by twelve ladies of the five hundred club who were on the losing side one time ago in a contest played for the purpose. The occasion was the closing meeting of this season, and will long be remembered as a very pleasant and enjoyable evening.

The large and substantial dining room of the hotel looked its best in ink and white roses and ferns. The long table where the twenty-four ladies were seated was extra beautiful. It really looked so much better the appetite, laden with so many good things to eat that the guests early forgot the splendor beneath which they were sitting. The ladies who lost the series of games and who acted as the entertainers on this occasion are Mrs. Katie Tressler, Mrs. John Erbes, Mrs. Harry Christiance, Mrs. M. J. Haas, Mrs. Jos. Graf, Mrs. O. N. Daw, Mrs. Rose Craigmiles, Mrs. C. H. Oester, Mrs. E. C. White, Mrs. A. L. Derr, Mrs. John Halbmaier, and Mrs. Wm.

I. P. CLARK

Immigration agent, 121 S. Galena Ave. Dixon, Ill.

HARMON NEWS IN BREEZY LETTER

EVENTS OF WEEK IN HARMON AND VICINITY TOLD BY CORRESPONDENT.

Harmon, June 7—W. E. Hopkins of Hamilton motored to Harmon on Sunday.

Mrs. Emma Boyd of Harmon who was taken April 18 to the hospital in Amboy, died there Saturday from gangrene poison which had developed in her limbs. She leaves one son, Faust, of Ashton. The remains were taken to Ashton, where services were held, Rev. G. A. Parker of the United Evangelical church, officiating. In the funeral home at the Ashton cemetery. The lady was 67 years old.

Misses Mary Durr, Emma McCormick and Nellie Long returned from West Brooklyn Saturday, where they had been for a few days attending the school exercises and visiting with friends.

Messrs. Jack Curran, Ed Reynolds and Frank Nagle of Dixon motored to Harmon Sunday and spent the day.

Lee Pontius and son Charles were up from Walton for an over Sunday visit with their family.

R. L. Burchell, Miss Marguerite Burchell, Mrs. L. M. Shoecraft and son Robert of Erie, and Miss Breed, a guest, visited in Dixon Sunday.

Mr. and Mrs. Louis Bontz were in Dixon Saturday.

Maurice Larsen went to Dixon Saturday.

Mr. and Mrs. Peter Blackburn were in Dixon Saturday transacting business.

The drainage commissioners of Harmon township were called to Dixon Friday on business connected with the ditch.

The banns were announced last Sunday by Father McKeon of Miss Mary Durr of Harmon and Clyde Sheffer of Amboy. The wedding will occur June 18.

Fifty of the friends and neighbors of Mr. and Mrs. Maurice Larsen held a surprise on him Thursday at their home in honor of his 34th birthday. A three course dinner was served, the guests doing it ample justice. They presented Mr. Larsen with a solid oak rocker a token of their esteem. All report an enjoyable time.

Mrs. Phoebe Dewey and daughter, Miss Ada and Miss Marguerite Ambrose accompanied W. E. Hopkins to Dixon last Monday in the latter's car. Mrs. W. E. Hopkins has been visiting in Lee Center. She went to see her mother who has been very ill.

Several of the friends of Mrs. L. P. Parker attended a birthday party June 2nd at the Parker home, it being her 32nd birthday. Cards were played after which ice cream and cake were served. All report an enjoyable evening.

Mrs. L. H. Perkins and little daughter Geraldine went to Walnut Tuesday and spent the day with relatives.

J. J. Kelley of Hamilton was in town last Tuesday evening.

Rogee Ostrander was in Dixon last Monday on business.

George Swartz of Dixon was in Harmon last Tuesday evening in his new car.

Mrs. David Hill is reported on the sick list.

Mrs. Fred Averill of Sterling spent a few days at the F. H. Kugler home.

David Gillerist of Ottawa is here on business.

W. J. Dowd of Chicago is visiting his mother here.

W. E. Hopkins and W. H. Kugler motored to Lee Center in the Hopkins car last week.

The wedding of Miss Gladys Kugler and George Long took place at the Catholic parsonage June 4, Rev. McKeon officiating. The marriage unites two well known and popular young people of Harmon. They will reside in a home already prepared by the groom in Harmon. Their many friends wish them happiness in their new life.

CHINDA INDORSES PEACE PLAN

Becomes Fourteenth Nation to Approve Bryan's Proposal in Principle—Will Consider Details.

Washington, June 10.—China has become the fourteenth nation to endorse Secretary Bryan's peace plan. Minister Chang called upon the secretary and told him his government accepted the idea in principle and would like to consider the details.

Engineers on Trip to Germany. New York, June 10.—More than 200 members of the American Society of Mechanical Engineers, accompanied by 100 ladies, left today on the steamer Victoria Louise to attend the fifty-fourth annual meeting of the Verein Deutscher Ingenieure at Leipzig and to inspect the industrial and educational institutions of Germany.

OAK RIDGE NEWS

Oak Ridge, June 9—Mrs. Brooke returned to her home in Dixon after a pleasant visit with her children here.

Mr. and Mrs. Hugh Griffen are visiting relatives in Iowa.

Warner brothers held a cow sale at the Oregon stock yards on Saturday.

Frank Palmer, who has been ill at the Dixon hospital for some time, is now at John Hamilton's much improved in health.

Miss Llewellyn of Minneapolis is visiting Mrs. Emma Brooke.

Miss Myra Young spent several days in Dixon.

Mr. and Mrs. Walter Mumma and sons returned to Oregon Saturday.

The Grand Detour telephone central office was moved Monday from the Strouse home to Mr. Portner's, on the Ridge. Miss Frances Portner will now be our central girl.

Mr. and Mrs. John Heckman were in Dixon Saturday.

Frank Fultz is working for Mr. Griffen during his absence.

Mrs. Wilbur Brooke and guests motored to Dixon Friday.

Mr. and Mrs. Bert Cox are the proud parents of a fine boy.

T. Winder of Gary, Ind., was here last week.

Joe Merritt was home for Sunday.

MARYLAND'S AIM IS 80,552

Cruiser Makes Admirable Record in Target Practice.

Washington, June 10.—At the target practice of the Pacific fleet held off San Diego the cruiser Maryland received an average of 80,552 with her main batteries of eight-inch guns.

With a speed of 18 knots per hour, the Maryland steamed past the targets at a range of 12,000 yards, opened fire with her main batteries. Firing each gun every minute, she made over eight out of the possible ten hits per gun. The targets are very small as compared with the size of the possible enemy, so that in actual battle the damage of this fire would have been terribly accurate.

Old Shooting Champion Dead. Hammon, N. J., June 10.—Capt. John S. Brewer, at one time champion wing shot of the world, was found dead in his humble lodging in this place. It is not known what caused his death.

Travelers in Session. Richmond, Va., June 10.—Delegates from 42 states are here for the twenty-fourth annual convention of the Travelers' Protective Association of America. About 1,000 delegates will attend.

EX-CONGRESSMAN ADMITS LOBBYING

Landis Confesses to Hundred Visits to Washington in Four Years.

IN PAY OF POWDER TRUST

Others Testify to Interest in Legislation But All Disclaim Any Improper Acts—Former Senator Faulkner Testifies.

Washington, June 10.—Former Representative Charles B. Landis of Indiana admitted before the senate lobby investigating committee that he had come to Washington at least a hundred times in the past four years to try and influence legislation in congress for pay.

He said he was sent here by the powder trust and incidentally contracted an alliance with the Merchant Marine league for the purpose of obtaining subsidies. He said the Marine league of Cleveland paid him one salary and the Dupont Powder company another.

Faulkner Denies Lobbying. Former United States Senator Faulkner of West Virginia admitted that since he left the senate, about fourteen years ago, he had maintained an office here as the representative of every railroad in the country. He apparently convinced the committee that he had done nothing reprehensible. He dramatically denied he had abused his floor privilege by lobbying in the senate. Senator Nelson and Senator Reed declared they had not seen him there in recent years.

Mr. Faulkner said he left the senate in 1899, that since then he had acted here as the sole Washington representative of three railroad committees, one the "operating" committee, is appointed by the American Railway association, with which all the roads in the country are affiliated. He is also a member of the "advisory" committee, representing 22 roads.

Lace Men Employ Bennett. Former Representative Bennett of New York told the committee that he presumed his "knowing" his way around Washington had something to do with his employment by 14 lace manufacturers of New York city to come here before a subcommittee to keep a duty on lace.

Former Representative Kopp of Wisconsin, as frankly admitted that through his acquaintance with members of congress was partly responsible for his employment by the lead and zinc interests of his section to come here and protect them.

Former Representative Hull of Iowa, once chairman of the house military affairs committee, said he had formed a partnership here with Mr. Reeves, formerly secretary of the house military affairs committee, and that since they got out of office two years ago they had represented a variety of interests at the capital.

Expected Reduction on Wool.

"We expected a great reduction on wool and sugar," said Senator Walsh, a Democrat, on the committee, "but we did confidently expect them to carry a revenue duty." He afterward explained that the Denver platform and the Baltimore platform gave rise to that expectation. He said Senator Myers was elected two years ago under that Denver platform which promised protection to wool and sugar.

Senator Reed, another Democrat, and Senator Walsh agreed that the term lobbyist should not be applied to one who comes in person or by attorney or other agent to present his side of the case in a legitimate way before committees and then returns home. Both did apply the term to those who have "hung around" after hearings trying to influence all whom they met. When the testimony is all in there will be a conference of the attorney general and the chairman of the senate judiciary committee, the chairman of the house judiciary committee and the president to evolve some law that will curb the activity of lobbyists.

Looking Far Ahead.

"Had a fine dream last night." "What did you dream about, Dobb-ers?" "I dreamed I had paid the last installment on a set of books." "That must have made you feel happy."

"It did, but everything around me seemed different from what it is now and I'm afraid I was dreaming about a time that belongs to the distant future."

FINAL SPECIAL ASSESSMENT NOTICE.

PUBLIC NOTICE is hereby given that the Board of Local Improvements of the City of Dixon in the County of Lee and State of Illinois, caused to be filed in the County Court of said County of Lee on the 6th day of June, A. D. 1913, a certificate showing the final cost of constructing vitrified tile pipe sewer with necessary Manholes, flush tank and house connection laterals in Dement Avenue, constructed in said City of Dixon under and in pursuance of City of Dixon Local Improvement Ordinance No. 134, Series of 1912, and the amount estimated by said Board to meet accruing interest

on bonds and vouchers issued to anticipate the collection of the assessment for said work. Said certificate also shows that said work has been done and completed by the Contractor doing the work in substantial conformity to the requirements of said ordinance and has been duly accepted by said Board.

The final cost of said improvement and the amount estimated for interest as shown by said certificate are as follows:

745 cubic yards of excavation and backfill at fifty (50) cents per cubic yard...	\$372.50
691 linear feet of eight inch sewer pipe (laid) at twenty (20) cents per linear foot	138.20
290 linear feet of six inch sewer pipe (laid) at fifteen (15) cents per linear foot	43.50
2 manholes complete with iron covers and iron steps inside at thirty (30) dollars each	60.00
1 flush tank siphon with connections and lamphole complete	75.00

Total cost of work ..\$689.20
Lawful expense 41.35

Total cost of improvement

Public notice is further given that the court has set said certificate and any objections that may be filed thereto for hearing at nine o'clock a. m. on Tuesday, the 24th day of June, A. D. 1913, or as soon thereafter as the business of the court will permit.

Said hearing will be held in the County Court Room in the Court House in the City of Dixon in the County of Lee and State of Illinois. All persons interested may file objections before said time set for hearing and appear and show cause why said petition should not be taken as true.

Dated June 9th, A. D. 1913.
Board of Local Improvements of the City of Dixon, Illinois.

By, MARK C. KELLER,
1365 Its Attorney.

FINAL SPECIAL ASSESSMENT NOTICE.

PUBLIC NOTICE is hereby given that the Board of Local Improvements of the City of Dixon in the County of Lee and State of Illinois caused to be filed in the County Court of said County of Lee on the 6th day of June, A. D. 1913, a certificate showing the final cost of constructing cement concrete sidewalks on Ottawa Avenue, Inlet Avenue, Pine Street, Seventh Street, Peoria Avenue and Harrison Avenue, constructed in said City of Dixon under and in pursuance of City of Dixon Local Improvement Ordinance No. 133, Series of 1912, and the amount estimated by said Board to meet accruing interest on bonds and vouchers issued to anticipate the collection of the assessment for said work. Said certificate also shows that said work has been done and completed by the Contractor doing the work in substantial conformity to the requirements of said ordinance and has been duly accepted by said Board.

The final cost of said improvement and the amount estimated for interest as shown by said certificate are as follows:

In Front of Abutting Property	
5248.85 square feet of cement sidewalk at eight and seven-tenths (8.7) per square foot	\$456.65
At Street Intersections,	
234.9 square feet of cement sidewalk at nine (9) cents per square foot	\$ 21.14

Total cost of work

Lawful expense. 28.67

Total cost of improvement \$506.46

Public notice is further given that the court has set said certificate and any objections that may be filed thereto for hearing at nine o'clock a. m. on Tuesday, the 24th day of June, A. D. 1913, or as soon thereafter as the business of the court will permit.

Said hearing will be held in the County Court Room in the Court House in the City of Dixon in the County of Lee and State of Illinois. All persons interested may file objections before said time set for hearing and appear and show cause why said petition should not be taken as true.

Dated June 9th, A. D. 1913.
Board of Local Improvements of the City of Dixon, Illinois.

By, MARK C. KELLER,
1365 Its Attorney.

NOTICE TO CONTRACTORS.

Sealed proposals addressed to the Board of Local Improvements of the City of Dixon, Lee County, Illinois, and endorsed, proposals for the furnishing of the labor and materials for and the construction of vitrified tile pipe sewer with manholes, storm water inlets and house connection laterals on Galena Avenue and Tenth Street, in the City of Dixon, in the County of Lee and State of Illinois, as provided for in Local Improvement Ordinance No. 143, Series of 1913, of said City of Dixon, will be received by the Secretary of the Board of Local Improvements at the City Clerk's Office in the City of Dixon, Lee County, Illinois, until two o'clock in the afternoon on Thursday, the 12th day of June, A. D. 1913, and will be publicly opened by the said Board of Local Improvements at a meeting to be held at said City Clerk's Office, at two o'clock in the afternoon on said day, and at the same time and place said Board of Local Improvements shall in open session examine such proposals as have been delivered to it and publicly declare the same.

That a vitrified tile pipe sewer of twelve (12) inches internal diameter is hereby ordered constructed in the City of Dixon on Galena Avenue as follows: From the manhole hereinafter constructed in Galena Avenue at its intersection with the center line of Seventh Street, southerly to a point on the center line of Eighth Street, four (4) feet west of the east curb line of said Galena Avenue, produced; thence, parallel to said curb line, to a point on the center line of Ninth Street; thence to a point four (4) feet east of the west curb line of said Galena Avenue and one hundred and thirty (130) feet south of Ninth Street; thence parallel to said curb line to the center line of Tenth Street.

That a vitrified tile pipe sewer of eight (8) inches internal diameter is hereby ordered constructed in the City of Dixon on Tenth Street, along the center line thereof, from a point four (4) feet east of the west curb line of Galena Avenue, produced, to a point two hundred and sixteen (216) feet west of Galena Avenue.

That in front of each lot, piece, parcel and tract of land assessed and included within the district established by the Commissioner levying the assessment to pay for the sewer herein provided for, there shall be constructed a house-connection lateral sewer of vitrified tile pipe having an internal diameter of six (6) inches and extending in a straight line from about one foot inside the curb line of the street in front of each such lot, piece, parcel or tract of land to the sewer herein provided for and connected therewith by a "Y" or "T" connection.

That vitrified tile pipe storm water sewer of ten (10) inches internal diameter shall be constructed as follows:

At the northwest corner of the intersection of Galena Avenue and Eighth Street.

At the southwest corner of the intersection of Galena Avenue and Eighth Street.

At the northwest corner of the intersection of Galena Avenue and Eighth Street.

At the southwest corner of the intersection of Galena Avenue and Ninth Street.

At the northwest corner of the intersection of Galena Avenue and Tenth Street.

Said storm water sewers shall be extended from the aforesaid points to the manholes to be constructed at said intersections and each shall be connected with such manhole by a running trap of approved pattern, such as is now used for similar purpose in the City of Dixon.

That there shall be constructed in the City of Dixon six manholes of the kind described in the specifications hereinafter set forth having an internal diameter of four (4) feet and located upon the line of the sewers described in Section One of this Ordinance as follows:

At the center line of Eighth Street.

At a point eighty (80) feet south of Eighth Street.

At the center line of Ninth Street.

At a point one hundred and thirty (130) feet south of Ninth Street.

At the center line of Tenth Street.

At a point in Tenth Street two hundred and sixteen (216) feet west of Galena Avenue.

That there shall be constructed in the City of Dixon six manholes of the kind described in the specifications hereinafter set forth and having an internal diameter of twelve (12) inches and located fifty (50) feet north of Tenth Street.

Such manholes and lampholes shall be constructed with and be part of and in all respects be so constructed as to conform to all requirements herein relating to the grade of the sewers provided in Section One (1) of this ordinance.

Sewer Pipe. That all the vitrified tile pipe and specials used in the construction of this improvement shall be of the best grade, salt glazed, vitrified clay sewer pipe of hub and spigot pattern. Said pipe must be sound and well burned, with a clear ring, free from cracks, blisters or any other defects or imperfections making it unfit for use. Each hub shall be of such depth and size as to receive to its full depth the spigot end of the next following pipe or special without any chipping, and to allow the making of a good mortar joint, and the use of a gasket. All said pipes must be of standard thickness.

Brick. That for brick work, none but the best quality of sound, hard burnt, perfect-shaped sewer bricks, presenting a regular and smooth surface, shall be used.

Cement.

That the cement used shall be newly manufactured portland cement of the best quality and of a brand approved by the Board of Local Improvements. Cement not satisfactory shall at once be removed from the job.

Sand.

Sand shall be clean, sharp, and free from loam, clay or vegetable matter. Shall not be so fine but that each grain on the surface of a pile can be readily noted by the naked eye, and must be of a quality satisfactory to the Board of Local Improvements.

Mortar.

All mortar used in making pipe joints shall be composed of one part by bulk of cement and one part of sand. Sand and cement are to be thoroughly mixed together in a dry state and in small quantities, and when ready for use the mixture shall be tempered with sufficient water to give it proper consistency.

Mortar used for brick work shall be mixed in the proportion of one part by bulk of cement by two parts of sand.

Mortar which has begun to set before being used must be thrown away. Retempering of the mortar will not be allowed.

Packing.

Packing may consist of flax, jute, oakum or hemp, clean and with long fibres, loosely twisted into strands.

Concrete.

Any concrete used shall be a one-to-four mixture of cement with sand and gravel, thoroughly mixed, both dry and wet, and settled into place by tamping until water appears on the surface.

Manhole Construction. Manholes to be circular in cross-sections. The walls are to have a thickness of eight inches, and be built of sewer brick of best quality, laid in cement mortar. The top of the manhole, for the upper three courses is to be two feet in diameter, the walls having been drawn in by means of a succession of regular "header" courses. The invert through manholes may be built either of concrete or of half a tile laid to grade in a bed of concrete. The remaining floor of the manhole shall be built of well tamped concrete, smoothly finished and with a slight slope toward and into the sewer.

At spaces of eighteen inches from the floor of the manhole to within the said distance of the top, the manhole shall be provided with a five-eighths inch round iron steps, bent "stirrup" shaped, and built and bonded into the masonry.

The manhole shall be provided with a cast iron cover, with a tight lid, the said cover weighing not less than three hundred pounds, and being of the size and general pattern of those now in use in the said City of Dixon.

On the inside of the manhole the wall shall be given three coats of a thin Portland cement grout, without sand, applied with a brush, each coat being allowed to set before the next is applied.

Lamphole.

The lamphole herein provided for shall be constructed by connecting with the sewer pipe of the main a similar sewer pipe of like kind and quality by means of a "Y" connection. Such sewer pipe shall be placed vertically and shall extend from the manhole to the grade of the street.

At the proper grade a "Y" connection shall be placed to receive the pipe of the upper portion of the main sewer. The upper end of the said lamphole shall be stopped with a vitrified tile stopper of suitable size securely fastened with cement. All joints in such lamphole shall be connected in the same manner as the joints of other sewer pipe herein specified and the top of such lamphole shall be protected by a substantial cast iron ring and cover securely placed on a foundation of brick laid in cement mortar and extending not less than two feet below the grade of the street.

Excavations.

All trenches shall be vertical and made of sufficient width to be at least eight inches wider in the clear than the outside measure of the socket of the sewer pipe. Trenches must be made in open cut. Tunneling will be allowed only by special permission of the Board of Local Improvements. Trenches must when necessary be properly protected against caving or sliding, by bracing and sheeting. Any sheeting left in permanently by order of the Board of Local Improvements (and only such) will be paid for, at the actual current cost of the lumber. When left in the trench, sheeting shall be cut off a foot below the surface of the street.

The excavations for manholes shall be wide enough so that a space of at least four inches will be clear between the outside wall and the excavation or protection thereof.

Excavated material shall be deposited in such a way as to be of the least obstruction possible to the public and to adjoining property owners. A space of two feet wide along the side of the trench where the engineer's stakes are located shall be kept free from obstruction.

No material will be allowed to be piled within five feet of any fire hydrant.

The Laying of the Pipe. All pipe shall be laid exactly to grade and line as provided in this ordinance.

Pipes must be sounded and inspected, and in addition thereto the Board of Local Improvements may order that the same be fitted and matched before being lowered into the trench. No trimming of pipes or specials will be allowed, and all imperfect material will be rejected and must be immediately removed from the line of the sewer.

Pipe must not be laid except in the presence of the inspector, and any so laid may be ordered removed and relaid.

Before any pipe or special is to be put in place a small excavation must

be made in the bottom of the previously graded trench, to receive the projecting portion of the hub or socket, so that the pipe may have a firm and uniform bearing for its entire length, upon said graded bottom. The joints between the individual pipes, or pipes and specials, shall in all cases be made water-tight, by completely filling out the annular space between the exterior of the spigot and the interior of the socket with cement mortar; and a neat and proper finish shall be given to the joint upon the face of the hub and socket.

It shall be at the discretion of the Board of Local Improvements to order the use of a narrow gasket which shall be properly pressed into each joint before the mortar is applied. But no extra compensation for the use of such gasket will be allowed, the same being included in the price paid per lineal foot of sewer.

Blind Ends. The last socket of lateral branches, or any stub of un-built sewer at a manhole or elsewhere, shall be closed with a clay stopper and made water-tight with cement mortar. A strip of board two or three inches wide shall be stood in trench at the curb end of each lateral, extending to the surface of the ground.

The said curb ends of each lateral must not be covered until the exact position thereof has been measured and recorded by the engineer.

Wiping Sewer. All pipe as soon as laid is to be cleaned by the use of a sand bag or other suitable appliance.

Protection of Sewer While Laying. Before leaving the work during a storm, or for the night, or for any other reason, care must be taken that the unfinished end of the sewer or lateral is securely closed with tight-fitting plug. Any material that may find entrance into the sewer through an open end or an unplugged branch is to be removed at the contractor's expense. The cost of such plugs and the labor connected therewith is to be merged in the regular prices bid for the work per lineal foot.

Storm Water Inlets. Storm water inlets, of ten inch vitrified tile, laid below the top of the curb at the gutter end, and not less than four feet in the ground at the manhole end, and trapped with a running trap next to the manhole, shall be constructed from the manholes in the various street intersections by means of suitable specials.

Concrete Inlet Bulk-Heads. Neatly finished concrete bulk-heads shall be built in the gutter, at the inlet openings, to embed the upper end of the tile used in carrying storm water to the sewer. Unless otherwise ordered, these shall be three feet in width across the gutter, two feet in depth, built to the height of the curb, and nine inches in thickness.

Test. When sewer is completed the interior floor thereof shall be exactly to grade and the line given by the engineer. Sewer construction will not be accepted by the City of Dixon unless (wherever the sewer is built in a straight line) a light applied at a manhole or lamphole can be clearly and plainly seen through the sewer from the next manhole.

Back-Filling. The back-filling of the trenches shall be done with shovels and the refilled earth shall be compacted thoroughly. Unless otherwise expressly permitted, this shall be done by tamping, and the layers shall not exceed six inches between tappings.

Restoring Pavement. If opening the street for this improvement necessitates the removal from the street of a coat of macadam, this material shall be kept separate from the excavated earth, and after the construction of the sewer and the proper refilling of the trench with earth, the said macadam material shall be placed thereon and tamped into conformity with the remaining surface of the street.

In the month of April following the completion of the sewer and at any prior time it may become necessary, the Contractor shall again go over the line of the sewer and laterals and wherever any settlement has occurred, shall again fill the trenches, tamping such filling until thoroughly compacted and again restoring the street surface to its original condition.

Equipment. For this improvement the contractor shall furnish all necessary machinery, all materials, shall pump, ball or otherwise remove any water found or accumulating in the trenches and shall perform all the work necessary to keep them clear of water while the foundation and the brick work are being constructed or the sewer laid.

Use of Sewer. Water shall not be allowed to run through the sewer until the cement is satisfactorily hardened.

Condition of Street When Work Is Completed. When work is completed, all surplus materials, earth, rubbish, etc., shall be removed and the street surface repaired and left in as good condition in all respects as at the beginning of the work.

Measurement. In measuring the length of sewer, no deductions will be made for manholes and lampholes.

Final Inspection. Upon notification by the contractor of the completion of the work, the Board of Local Improvements, assisted by the engineer, will carefully inspect the sewer, its appurtenances, and any other work done by the contractor in connection therewith, and if it is found that the work does not comply with these specifications, it shall be brought to the proper condition at the expense of the contractor. But if it be found, after uncovering the pipe or any other work, that no defects exist, or that the defect, if any, was not due to the fault of the contractor, then the expense of this examination shall be borne by the city.

That the work for which said tenders are invited is the construction of about 1375.6 cubic yards of excavation, about 1080 lineal feet of 12" sewer pipe (laid), about 260 lineal feet of 10" sewer pipe (laid), about 25 lineal feet of 8" sewer pipe (laid), about 650 lineal feet of 6" sewer pipe (laid); One (1) lamphole, complete with C. I. cover; Six (6) manholes, complete with C. I. covers and gutter inverts, and Six (6) cement headers at inlets as provided for in Local Improvement Ordinance No. 143, Series of 1913, of the City of Dixon, Illinois.

Each bid for this work must be accompanied by certified check or cash for an amount not less than ten per cent of the aggregate of such proposals. All certified checks must be drawn upon some responsible bank doing business in said City of Dixon and must be payable to the order of the President of the Board of Local Improvements in his official capacity. No bids will be considered unless accompanied by such certified check or cash.

Said cash or certified checks will be held by said Board of Local Improvements until all the bids have been canvassed and the contract has been awarded and signed. The return of said checks or cash to the successful bidder being conditioned upon his appearance within fifteen (15) days after having been notified of the award having been made to him or them, accompanied by his or their bondsmen and executing a contract with said Board of Local Improvements for the completion of the work so awarded and giving a bond satisfactory to said Board of Local Improvements.

A bond of Two Thousand (\$2,000) Dollars will be required conditioned for the fulfillment of the contract in accordance with the ordinance and specifications and to the satisfaction of the said Board of Local Improvements. All proposals must be made on blanks which will be furnished bidders at said City Clerk's Office.

The payment for the work for which said tenders are invited is to be made in cash or bonds, payable when the contract is complete, and the work accepted by the Board of Local Improvements, bonds to draw interest at five per centum. No bid will be considered unless the party making it shall furnish evidence satisfactory to said Board of Local Improvements of his experience and ability in this class of work and that he can control sufficient capital to enable him to successfully prosecute the same in case the contract shall be awarded to him.

Bidders will examine the ordinance, maps, plans, profiles, and specifications and also the locality in which said work is to be done and judge for themselves of all the circumstances and surrounding conditions affecting the cost and nature of the work.

Specifications may be seen at the office of the City Clerk of the City of Dixon from and after this date.

The Board of Local Improvements reserves the right to reject any and all bids.

Dated at Dixon, Illinois, May 31st, A. D. 1913.

Signed: BOARD OF LOCAL IMPROVEMENTS OF THE CITY OF DIXON.

By MARK C. KELLER, Its Attorney.

NOTICE TO CONTRACTORS. Sealed proposals addressed to the Board of Local Improvements of the City of Dixon, Lee County, Illinois, and endorsed, proposals for the furnishing of the labor and materials for and the construction of vitrified tile pipe sewer with manholes, storm water inlets and house connection laterals, in East Everett Street, East Fellows Street and North Jefferson Avenue, in the City of Dixon, in the County of Lee and State of Illinois, as provided for in Local Improvement Ordinance No. 146, Series of 1913, of said City of Dixon, will be received by the Secretary of the Board of Local Improvements at the City Clerk's Office in the City of Dixon, Lee County, Illinois, until two o'clock in the afternoon on Thursday, the 12th day of June, A. D. 1913, and will be publicly opened by the said Board of Local Improvements at a meeting to be held at said City Clerk's Office, at two o'clock in the afternoon on said day, and at the same time and place said Board of Local Improvements shall in open session examine such proposals as have been delivered to it and publicly declare the same.

That a vitrified tile pipe sewer of twelve (12) inches internal diameter is hereby ordered constructed in the City of Dixon on East Everett Street, along the center line thereof, from the sewer heretofore constructed in North Democrat Avenue, easterly to the center line of North Jefferson Avenue and on North Jefferson Avenue along the center line thereof from the center line of East Everett Street five feet south of the south rail of the railroad therein located.

That a vitrified tile pipe sewer of ten (10) inches internal diameter is hereby ordered constructed in the City of Dixon on East Fellows Street, five feet south from and parallel with the south rail of the railroad therein located, from the center line of North Jefferson Avenue to a point two hundred and sixty (260) feet west westerly therefrom.

That in front of each lot, piece, parcel and tract of land assessed and included within the district established by the Commissioner levying the assessment to pay for the sewer herein provided for, there shall be constructed a house-connection lateral sewer of vitrified tile pipe having

an internal diameter of six (6) inches and extending in a straight line from about one foot inside the curb line of the street in front of each such lot, piece, parcel or tract of land to the sewer herein provided for and connected therewith by a "Y" or "T" connection.

That vitrified tile pipe storm-water sewer of Ten (10) inches internal diameter shall be constructed, at the northwest corner of the intersection of said East Fellows Street with North Jefferson Avenue at the northeast corner of said intersection and at the southeast corner of said intersection.

Also at the northwest corner of the intersection of said East Fellows Street with Boardman Place, at the northeast corner of said intersection and at the southeast corner of said intersection. Said storm water sewer shall extend from the points on each side of the roadway portion of said North Jefferson Avenue and Boardman Place at the intersecting lines of East Fellows Street to the manholes to be constructed at said intersections, and each shall be connected with such manholes by a running trap of approved pattern such as is now used for similar purposes in the City of Dixon.

That there shall be constructed in the City of Dixon Three (3) Manholes of the kind described in the specifications hereinafter set forth, having an internal diameter of Four (4) feet and located as follows:

At the intersection of the center line of East Everett Street with the center line of North Jefferson Avenue.

At a point in the center line of North Jefferson Avenue five feet south of the south rail of the railroad located in East Fellows Street.

At the center line of Boardman Place and five (5) feet south of the south rail of said railway.

Such manholes shall be constructed with and be part of and in all respects be so constructed as to conform to all requirements herein relating to the grade of the sewers provided in Section One (1) of this ordinance.

Such manholes shall be connected in the City of Dixon one (1) manhole of the kind described in the specifications hereinafter set forth, having an internal diameter of three (3) feet and located five feet south of the south rail of the railroad in East Fellows Street and two hundred and sixty (260) feet west of the center line of North Jefferson Avenue.

Sewer Pipe. That all the vitrified tile pipe and specials used in the construction of this improvement shall be of the best grade, salt glazed, vitrified clay sewer pipe of hub and spigot pattern. Said pipe must be sound and well burned, with a clear ring, free from cracks, blisters, or any other defects or imperfections making it unfit for use. Each hub shall be of such depth and size as to receive to its full depth the spigot end of the next following pipe or special without any chipping, and to allow the making of a good mortar joint, and the use of a gasket. All said pipes must be of standard thickness.

Brick. That for brick work, none but the best quality of sound, hard burnt, perfect-shaped sewer bricks, presenting a regular and smooth surface, shall be used.

Cement. That the cement used shall be newly manufactured portland cement of the best quality and of a brand approved by the Board of Local Improvements. Cement not satisfactory shall at once be removed from the job.

Sand. Sand shall be clean, sharp, and free from loam, clay or vegetable matter, shall not be so fine but that each grain on the surface of a pile can be readily noted by the naked eye, and must be of quality satisfactory to the Board of Local Improvements.

Mortar. All mortar used in making pipe joints shall be composed of one part by bulk of cement and one part of sand. Sand and cement are to be thoroughly mixed together in a dry state and in small quantities, and when ready for use the mixture shall be tempered with sufficient water to give it proper consistency.

Mortar used for brick work shall be mixed in the proportion of one part by bulk of cement by two parts of sand.

Mortar which has begun to set before being used must be thrown away. Retempering of the mortar will not be allowed.

Packing. Packing may consist of flax, jute, oakum, or hemp, clean and with long fibres, loosely twisted into strands.

Concrete. Any concrete used shall be a one-to-four mixture of cement with sand and gravel, thoroughly mixed, both dry and wet, and settled into place by tamping until water appears on the surface.

Manhole Construction. Manholes are to be circular in cross-sections. The walls are to have a thickness of eight inches, and be built of sewer brick of best quality, laid in cement mortar. The top of the manhole, for the three upper courses is to be two feet in diameter, the walls having been drawn in by means of a succession of regular "header" courses. The invert through manholes may be built either of concrete or of half a tile laid to grade in a bed of concrete. The remaining floor of the manhole shall be built of well tamped concrete, smoothly finished and with a slight slope toward and into the sewer.

At spaces of eighteen inches from the floor of the manhole to within the said distance of the top, the manhole shall be provided with five-eighths inch round iron steps, bent "stirrup" shaped, and built and bonded into the masonry.

The back-filling of the trenches shall be done with shovels and the refilled earth shall be compacted thoroughly. Unless otherwise expressly permitted, this shall be done by tamping, and the layers shall not exceed six inches between tappings.

Excavations. All trenches shall be vertical and made of sufficient width to be at least eight inches wider in the clear than the outside measure of the socket of the sewer pipe. Trenches must be made in open cut. Tunneling will be allowed only by special permission of the Board of Local Improvements. Trenches must when necessary be properly protected against caving or sliding, by bracing and sheeting. Any sheeting left in permanently by order of the Board of Local Improvements (and only such) will be paid for, at the actual current cost of the lumber. When left in the trench, sheeting shall be cut off a foot below the surface of the street.

The excavations for manholes shall be wide enough so that a space of at least four inches will be clear between the outside wall and the excavation or protection thereof.

Excavated material shall be deposited in such a way as to be of the least obstruction possible to the public and to adjoining property owners. A space of two feet wide along the side of the trench where the engineer's stakes are located shall be kept free from obstruction.

No material will be allowed to be piled within five feet of any fire hydrant.

The Laying of the Pipe. All pipe shall be laid exactly to grade and line as provided in this ordinance.

Pipes must be sounded and inspected, and in addition thereto the Board of Local Improvements may order that the same be fitted and matched before being lowered into the trench. No trimming of pipes or specials will be allowed, and all imperfect material will be rejected and must be immediately removed from the line of the sewer.

Pipe must not be laid except in the presence of the inspector, and any so laid may be ordered removed and relaid.

Before any pipe or special is to be put in place a small excavation must

be made in the bottom of the previously graded trench, to receive the projecting portion of the hub or socket, so that the pipe may have a firm and uniform bearing for its entire length, upon said graded bottom. The joints between the individual pipes, or pipes and specials, shall in all cases be made water-tight, by completely filling out the annular space between the exterior of the spigot and the interior of the socket with cement mortar; and a neat and proper finish shall be given to the joint upon the face of the hub and socket.

It shall be at the discretion of the Board of Local Improvements to order the use of a narrow gasket which shall be properly pressed into each joint before the mortar is applied. But no extra compensation for the use of such gasket will be allowed, the same being included in the price paid per lineal foot of sewer.

Blind Ends. The last socket of lateral branches, or any stub of un-built sewer at a manhole or elsewhere, shall be closed with a clay stopper and made water-tight with cement mortar. A strip of board two or three inches wide shall be stood in trench at the curb end of each lateral, extending to the surface of the ground.

The said curb ends of each lateral must not be covered until the exact position thereof has been measured and recorded by the engineer.

Wiping Sewer. All pipe as soon as laid is to be cleaned by the use of a sand bag or other suitable appliance.

Protection of Sewer While Laying. Before leaving the work during a storm, or for the night, or for any other reason, care must be taken that the unfinished end of the sewer or lateral is securely closed with tight-fitting plug. Any material that may find entrance into the sewer through an open end or an unplugged branch is to be removed at the contractor's expense. The cost of such plugs and the labor connected therewith is to be merged in the regular price bid for the work per lineal foot.

Storm Water Inlets. Storm water inlets, of ten inch vitrified tile, laid below the top of the curb at the gutter end, and not less than four feet in the ground at the manhole end, and trapped with a running trap next to the manhole, shall be constructed from the manholes in the various street intersections by means of suitable specials.

Concrete Inlet Bulk-Heads. Neatly finished concrete bulk-heads shall be built in the gutter, at the inlet openings, to embed the upper end of the tile used in carrying storm-water to the sewer. Unless otherwise ordered, these shall be three feet in width across the gutter, two feet in depth, built to the height of the curb, and nine inches in thickness.

Test. When sewer is completed the interior floor thereof shall be exactly to grade and the line given by the engineer. Sewer construction will not be accepted by the City of Dixon unless (wherever the sewer is built in a straight line) a light applied at a manhole or lamphole can be clearly and plainly seen through the sewer from the next manhole.

Back-Filling. The back-filling of the trenches shall be done with shovels and the refilled earth shall be compacted thoroughly. Unless otherwise expressly permitted, this shall be done by tamping, and the layers shall not exceed six inches between tappings.

Equipment. For this improvement the contractor shall furnish all necessary machinery, all materials, shall pump, ball or otherwise remove any water found or accumulating in the trenches and shall perform all the work necessary to keep them clear of water while the foundation and the brick work are being constructed or the sewer laid.

Use of Sewer. Water shall not be allowed to run through the sewer until the cement is satisfactorily hardened.

Condition of Street When Work Is Completed. When work is completed, all surplus materials, earth, rubbish, etc., shall be removed and the street surface repaired and left in as good condition in all respects as at the beginning of the work.

Measurement. In measuring the length of sewer, no deductions will be made for manholes and lampholes.

Final Inspection. Upon notification by the contractor of the completion of the work, the Board of Local Improvements, assisted by the engineer, will carefully inspect the sewer, its appurtenances, and any other work done by the contractor in connection therewith, and if it is found that the work does not comply with these specifications, it shall be brought to the proper condition at the expense of the contractor. But if it be found, after uncovering the pipe or any other work, that no defects exist, or that the defect, if any, was not due to the fault of the contractor, then the expense of this examination shall be borne by the city.

The work for which said tenders are invited is the construction of about 1644.18 cubic yards of earth excavation and backfill, about 528 lineal feet of 6" laterals (laid), about 260 lineal feet of 8" sewer pipe (laid), about 360 lineal feet of 10" sewer pipe (laid), about 815 lineal feet of 12" sewer pipe (laid), about 180 lineal feet of 10" storm-water pipe and traps (laid); Three (3) manholes, 4 feet inside with iron covers and iron steps inside, complete, One (1) manhole 3 feet inside with iron cover and iron steps inside, complete, and Six (6) cement headers at inlets as provided for in Local Improvement Ordinance No. 146, Series of 1913, of the City of Dixon, Illinois.

Each bid for this work must be accompanied by certified check or cash for an amount not less than ten per cent of the aggregate of such proposals. All certified checks must be drawn on some responsible bank doing business in said City of Dixon and must be payable to the order of the President of the Board of Local Improvements in his official capacity. No bids will be considered unless accompanied by such certified check or cash.

Said cash or certified checks will be held by said Board of Local Improvements until all the bids have been canvassed and the contract has been awarded and signed. The return of said checks or cash to the successful bidder being conditioned upon his appearance within fifteen (15) days after having been notified of the award having been made to him or them, accompanied by his or their bondsmen and executing a contract with said Board of Local Improvements for the completion of the work so awarded and giving a bond satisfactory to said Board of Local Improvements.

A bond of Sixteen Hundred (\$1,600) Dollars will be required conditioned for the fulfillment of the contract in accordance with the ordinance and specifications and to the satisfaction of the said Board of Local Improvements. All proposals must be made on blanks which will be furnished bidders at said City Clerk's Office.

The payment for the work for which said tenders are invited is to be made in cash or bonds, payable when the contract is complete, and the work

 Will sell cheap, at your own figures.
 Call at Gaffney & Miller's Garage.

31tf

FOUND. A soft, pure, delicious
 healthful drinking water at cost
 of one cent for two quarts. Dixon is
 in a Dolomitic Limestone region
 hence the water is hard. Analysis
 shows it 74 times more hard than
 nature's certified ice melted. Nine
 pounds melts into one gallon. Crack
 it up. Melt it on stove. Bottle in Ma-
 son jars, drink two quarts daily if in
 health, more if sick. The longer ice
 or water is stored the purer it be-
 comes. 25 pounds will be delivered
 free for trial Telephone 465, Todd's
 Hat Store. "What nature makes, she
 knows how to make." Dixon Pure
 Ice Co.

19tf

Do you wish to buy a new adding
 machine cheap? If so, call the Tele-
 graph, No. 5, for particulars.

DIXON CHIZENS GLADLY TESTI-
 FY AND CONFIDENTLY RE-
 COMMEND DOAN'S KIDNEY
 PILLS

It is testimony like the following
 that has placed Doan's Kidney Pills
 so far above competitors. When peo-
 ple right here at home raise their
 voices in praise there is no room left
 for doubt. Read the public state-
 ment of a Dixon citizen:

John Salzman, 103 Artesian Ave.,
 Dixon, Ill., says: "I have no reason
 to change my good opinion of
 Doan's Kidney Pills which I public-
 ly expressed some years ago. I had
 backache a great deal and pains
 across my loins. My kidneys did
 not act regularly and I felt miser-
 able in every way. Finally I used
 Doan's Kidney Pills procured at
 Leake Bros. Co's. Drug Store and
 they did good work, relieving me
 I keep them in the house and when-
 ever I take them, they help me."

For sale by all dealers. Price 50
 cents. Foster-Milburn Co., Buffalo,
 New York, sole agents for the United
 States.

Remember the name—Doan's—
 and take no other.

LOST

LOST. Auto chain between Dixon
 and Harmon. Finder please re-
 turn to Dr. Parker, Dixon.

LOST. A long rod from a gasoline
 engine, between 2nd and 7th Sts.
 on Galena Ave. last Saturday. Return
 to Gaffney's Garage and receive re-
 ward.

LAMSON BROS and COMPANY
 Dixon, June 10 1913

Wheat: Severe decline in stock
 market was responsible for a good
 break in wheat early. Low prices
 showed loss over 1c. Decline stimu-
 lated buying of cash wheat here and
 abroad. Duluth worked much to the
 eastern mills and some exporters;
 there was a fair local milling demand
 in this market. Primary receipts con-
 tinue heavy and such receipts at winter
 wheat markets indicate satisfied pro-
 ducers with present outlook. The
 general business conditions discour-
 age investors, there appears good sup-
 port for market from users of wheat
 whenever these sharp depressions oc-
 cur.

Corn: A sympathetic break oc-
 curred early but market firmed and
 closed higher than yesterday. East-
 ern demand light and offerings at ta-
 bles fair the much of receipts went on
 previous sales to arrive. Reports of
 frost in Illinois and Iowa brought
 buying but such reports not consid-
 ered seriously by those in touch with
 condition of crop. With good receipts,
 there should be a gradual easing of
 values.

Oats: The strong once were not as
 high as yesterday's close and final
 prices tonight show losses of 1-4 to
 3-8. Receipts fairly large and better
 proportion of total than yesterday.
 Cash sales fair, but by no means
 equal to volume of receipts. Lower val-
 ues appeared partly due to optimism
 in regard to new crop following official
 report.

Provisions: Selling, supposed to be
 for leading holders, brot weakness,
 but toward last prices again firmed
 and close about steady. Cash trade is
 good and this stimulated buying at
 the decline and especially in view of
 the strength in the hog market.

SPECIAL ASSESSMENT NOTICE.

Notice is hereby given to all per-
 sons interested that the City of Dixon
 has by LOCAL IMPROVEMENT
 ORDINANCE NO. 150, SERIES OF
 1913, passed by the Council of said
 City of Dixon on the 7th day of
 April, A. D. 1913, and approved by
 the Mayor of said City on the 7th
 day of April, A. D. 1913, ordered the
 construction of a Vitrified Tile Pipe
 Sewer, with manholes, flushing tank
 and house connection laterals in

East Everett Street from the man-
 hole heretofore constructed in North
 Ottawa Avenue to a point 200 feet
 east of North Dixon Avenue on the
 North Side of Rock River in the City
 of Dixon, County of Lee, and State
 of Illinois.

That said ordinance is now on file
 in the office of the City Clerk of
 said City of Dixon; that application
 has been made to the County Court
 of Lee County, Illinois, for an as-
 sessment of the cost of said improve-
 ment according to the benefits as
 provided by law and said ordinance;
 that an assessment therefor has been
 made and returned to said court, and
 that the final hearing thereon will
 be had before the said court in the
 County Court Room in the Court
 House in Dixon in said Lee County,
 Illinois, at 9 o'clock in the forenoon
 on the 30th day of June, A. D. 1913,
 or as soon thereafter as the business
 of said court will permit.

All persons desiring may file ob-
 jections to said assessment in said
 court before said time and may ap-
 pear at said hearing and make de-
 fense.
 Said assessment is payable in Ten
 (10) annual installments and all in-
 stallments bear interest at the rate
 of Five (5) per centum per annum,
 according to law, until paid.
 Dated June 10th, A. D. 1913.
 BLAKE GROVER,
 Commissioner.

1375

SPECIAL ASSESSMENT NOTICE.

NOTICE IS HEREBY GIVEN to
 all persons interested that the City
 of Dixon has by LOCAL IMPROVE-
 MENT ORDINANCE NO. 142, SER-
 IES OF 1912, passed by the Council
 of said City of Dixon, January 20th,
 A. D. 1913, and approved by the
 Mayor of said City of Dixon January
 20th, A. D. 1913, ordered the fur-
 nishing of the labor and materials,
 and the paving of the driveway por-
 tion of the street with No. 1 Vitrif-
 ied paving-brick or paving-blocks,
 on filled macadam foundation, with
 sand cushion and approved pitch or
 asphalt filler, on First Street from
 the west line of Madison Avenue to
 the west line of Monroe Avenue.

On Second Street from the west
 line of Galena Avenue to the east
 line of Monroe Avenue.

On Monroe Avenue from the south
 line of First Street to the north
 line of Third Street.

On Peoria Avenue from the south
 line of Second Street to the north
 line of Third Street.

On Hennepin Avenue from the
 south line of Second Street to the
 north line of Third Street as the
 same was originally laid out;

That said ordinance is now on file
 in the office of the City Clerk of said
 City of Dixon; that application has
 been made to the County Court of
 Lee County, Illinois, for an assess-
 ment of the cost of said improvement
 according to the benefits as provided
 by law and said Ordinance; that an
 assessment therefor has been made
 and returned to said Court, and that
 the final hearing thereon will be had
 before the said Court in the County
 Court Room in the Court House in
 Dixon in said Lee County, Illinois, at
 9 o'clock in the forenoon on the 30th
 day of June, A. D. 1913, or as soon
 thereafter as the business of said
 Court will permit.

All persons desiring may file ob-
 jections to said assessment in said
 Court before said time and may ap-
 pear at said hearing and make de-
 fense.

Said assessment is payable in Ten
 (10) annual installments and all in-
 stallments bear interest at the rate
 of Five (5) per centum per annum,
 according to law, until paid.

Dated June 10th, A. D. 1913.
 BLAKE GROVER,
 Commissioner.

LAND HAS NO HUNGER

Poor Man Not Allowed to Suffer
Among the Eskimos.

Draw Up to the Meal and Help Your
self, is the Humanitarian Custom
in That Country, as Explained
by a Missionary.

In a little shack in the village of
Okak in Labrador, Dr. S. K. Hutton
observed an Eskimo custom that sheds
a pleasing light on the character of
the people.

It was a queer dinner party. The
table was pushed into the corner, and
littered as usual with the clothes and
books and relics of work hastily laid
aside; dinner was spread on the floor.
The center of the feast was an enormous
pot, heaped with lumps and
slabs and ribs and joints of raw seal
meat. Round the pot the family
squatted, every one except the baby
armed with a business-like knife, cut-
ting off pieces of flesh or gnawing at
bones, they munched and chewed and
smacked their lips with great relish.

So busy were they all that perhaps
I was the only one to notice a slow,
shuffling step passing the window.
The footsteps turned into the porch,
and I heard the dogs yelping as some-
body cleared them out of the way. A
groping hand felt for the latch, and
the door silently opened. A voice
said, "Aksue" (Be strong, all of you),
and Apkik, a young man of the vil-
lage, came in, choking and coughing
at the sudden warmth. Nobody
seemed to take much notice, but John
gave a laconic "Mi!" in answer to his
greeting, and the circle widened to
make room for the newcomer.

Apkik sat down and pulled a knife
out of his belt. I watched him pity-
ingly as he helped himself with lean
and shaking fingers. It was not long
before he was satisfied, for he was
sadly listless and weary, and with a
simple "Nakomek," he wiped his knife
upon his trouser leg and slowly went
out. Again Apkik shut the door after
him.

I was mystified by this strange little
drama, and I suppose that I showed
my wonder in my face, for John an-
swered the question that was in my
thoughts, just as if I had asked it.

"We all know Apkik," he said. "He
is a poor young man who cannot hunt
or work for himself, and we know he
cannot work because he is ill. I did
not invite him to come, but he is
quite welcome. No poor man lacks
for a meal as long as there is food. It
is a custom of the people."—Rehoboth
Sunday Herald.

Romance of Electricity.
We stood on a high platform sur-
rounded by handles, switches, signals—
apparatus enough to put all New
York into darkness, or to annihilate
it in an instant by the unloosing of
terrible cohorts of volts!—and faced
an enormous, white, sparsely peo-
pled by a few colossal machines that
seemed to be revolving and oscillating
about their business with the fatalism
of conquered and resigned leviathans.

We were alone in it save now
and then in the far-distant spaces a
figure might flit and disappear be-
tween the huge glistening columns of
metal. It was a hall enchanted and
inexplicable. I understood nothing of
it. But I understood that half the
electricity of New York was being
generated by its engines of a hundred
and fifty thousand horse-power, and
that if it were lifted the elevators
of New York would be immediately
paralyzed, and the twenty million
lights expire beneath the eyes of a
startled population. I could have
gazed upon it to this day and brooded
to this day upon the human imagina-
tions that had perfected it.—Arnold
Bennett in "Your United States."

Fascinating "Danzon."
The "danzon," which is the univer-
sal Cuban dance, is the oddest, most
indeliberate of dances, at first the
least inviting, at last the most insidi-
ously fascinating. Long before tur-
keys trotted or bunnies hugged in our
land, in Havana they walked through
dances. But you can dance the "danzon"
all night on three feet square of
floor. A crowded ballroom is almost
motionless; a few steps, a queer
biver that runs through the body, a
step, then a few steps again—so hun-
dreds of couples go on four hours. It
would be inexplicable but for the mu-
sic, the music that seems hideous at
first, but ends by pulsating in your
very blood with some strange magic.
It seems forever losing its rhythm,
dropping its beats, while at times the
barbaric rattling and clatter of crashing
gourds wholly drowns the monotonous
melody. There is very little that
seems Spanish in the "danzon" music;
it hints rather at Africa and trans-
planted Voodoo rites in the Cuban for-
ests.—Metropolitan.

Strange Suicide Statistics.
Some strange statistics on the sub-
ject of suicides come from France,
where the number last year has grown
to 20 per 10,000 of the population; 70
years ago the number was only nine.

Contrary to common belief, nearly
three times as many men as women
end their own lives. Domestic serv-
ants furnish the greatest number,
and the liberal professions come next.
So far as causes have been ascer-
tained, 21 per cent. are because of
physical suffering, and 15 per cent. be-
cause of insanity; only 13 are on ac-
count of love affairs or unhappiness at
home.

Spring and summer largely out-
number fall and winter in the number of
suicides.

collected, give them to Miss Anna
Carson, public collector, 1209 West
Fourth St., or telephone 1015.
Miss Anna Carson, public collector,
1209 W. 4th St. Terms reasonable.

TWO DAY FISHING TRIP.
Leave Chicago & Northwestern
Ry. Passenger Terminal, Chicago, 6
p. m. Friday, June 13th arriving in
Great North Woods and Lake Coun-
try early the next morning—where
the big fish bite in myriads of spark-
ling lakes and swift flowing trout
streams and where the air is keen
and tingling with the scent of the
pine. Returning, arrive in Chicago
early the following Monday morning.
Secure your reservations early.
Full particulars on application to
Ticket Agents Chicago & North West-
ern Ry. 36 4

Spirella Corsetiers.
Why wear a hot, uncomfortable
corset this summer? Try a light
weight Spirella in net or batiste. Ap-
pointments by card or phone. Miss
Nettie A. Scott, 419 W. 3rd St.
Phone 320. 36 2

WANTED
Strawberry pickers, 3 blocks west
of Long's greenhouse, P. C. Bowser
37 3

Attorney George C. Dixon went to
Morrison today to transact legal busi-
ness.
Mrs. Richard Brierton of the Bend
who has been very ill, is improving
nicely.

YOU ARE READING
THIS AD.—OTHERS
WILL READ YOURS

MOST everybody reads the
ads. in this paper. They
furnish as much news to the
men in town and on the farm
as the personnel, and often
more. If Peter Smith's wife
wants a new hat Smith sees
by the paper that Jones is sell-
ing hats at so much. John-
son's store ad. is missing from
the paper—Johnson's trying
a non-advertising policy.

RESULT—Jones gets Smith's
money
Smith's wife gets her hat.

Storage Batteries

Have you stopped to think of
the advantage of a good Battery?

Let Me Tell You

I have a 6-80 Edison and it is simply
perfection. Can't be injured by
over charging and holds up until
every bit of juice is used.

We Use Our Own

every day and very frequently at
night for light and ignition has not
been charged for 60 days and yet
has three fourths charge left.

Summer
Comfort

We have the exclusive agency of
the Herrick Dry Air System

Refrigerators

"BUILT ON HONOR"

Insures a Dry, Sanitary Storage
compartment. They are heavily insu-
lated and only a small amount of
ice is required to keep them at the
proper temperature. Everything stays
dry and sweet. Reasonable Price.
Call and inspect them.

gressman and Mrs. E. F. Townsend of
New Jersey, is one of the recent
debutantes in Washington society.

EVINRUDE

Del detachable Row Boat Motor

We have taken the agency and
have in stock the "Evinrude"
motor. It can be attached to a
row boat in two minutes and
will drive it at the rate of 8 miles
an hour. It is two horse power
and weighs but 50 pounds.

With it you can have all the
pleasures of a launch at only a
fraction of the expense, labor
and care.

You can explore every nook
and corner of our beautiful river
and enjoy boating to the limit.

Call and see the motors at our
store and get descriptive booklet.

SOMETHING NEW

Hulled Whole Wheat Cooked Ready
TO EAT

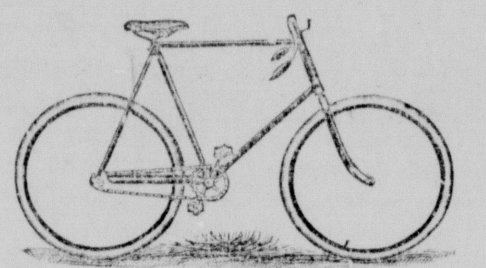

There are about four recipes on the can telling how to use it. One to
warm it up and use with cream and sugar like oat meal. Another to
make whole wheat Porridge, to make a pudding with it, also how to use
with ice cream and fruit juices. Still another how to make whole wheat
fritters.

It is put up in a No. 2 can same size as corn and peas and sells for 12c
per can. It is entirely new but seems as though it was a real good thing
